Issue: 04: What policies should we adopt for water based recreation facilities such as marinas, moorings and associated club and training facilities?

A New or improved water recreation facilities should be encouraged only in locations where they would have no impact on the coastal landscape and habitats.

B New or improved water recreation facilities should be supported even when they might have impacts on coastal landscape or habitats,

C New water recreation facilities should be resisted in order to protect the character of the coast, harbour and rivers.
