Dear Anna

**Re: Examination of the Purbeck Local Plan**

Thank you for your letter dated 5<sup>th</sup> June 2019. As the Dorset Statement of Common Ground (dated March 2019) remains unchanged from what the previous Bournemouth, Christchurch and Poole Councils agreed and signed, I confirm that Dorset Statement of Ground remains in effect and endorsed by BCP Council. BCP Council looks forward to working with Dorset Council on any future iterations of the Statement of Common Ground. I am happy to attend your examination to discuss this if required.

Yours sincerely

**Name** Nicholas Perrins  
**Job title** Policy Manager
