

# MILBORNE ST ANDREW NEIGHBOURHOOD PLAN 2018 to 2033

## Information Statement

This information statement is about the referendum to be held on the Milborne St Andrew Neighbourhood Plan 2018 to 2033

### **About town and country planning**

In England, planning applications are determined by local planning authorities such as Dorset Council. Planning decisions are made in accordance with the adopted development plan, unless material considerations indicate otherwise. A development plan sets out the planning policies for the development and use of land.

At the current time, the [adopted Local Plan for North Dorset](#), which forms part of the development plan, is the starting point for considering planning applications in the Parish of Milborne St Andrew. The [national planning policy framework](#) must be taken into account in the preparation of local and neighbourhood plans, and is a material consideration in planning decisions.

The Council's Local Development Scheme contains information on development plan documents that are being prepared.

### **About neighbourhood planning and the Milborne St Andrew Neighbourhood Plan 2018 to 2033**

Neighbourhood planning aims to help local communities play a direct role in planning the areas in which they live and work. Milborne St Andrew Parish Council has produced the plan which shows how the community wants land to be used and developed in its area. If a plan is made following a successful referendum, it becomes part of the development plan for that area.

Milborne St Andrew Parish Council started preparing its neighbourhood plan in 2014. After much research, and having listened to the various issues and suggestions made through various consultation events, a draft plan was produced for consultation in July 2018. The plan was then revised in response to the consultation and submitted to North Dorset District Council in October 2018. Mr David Kaiserman BA DipTP MRTPI was appointed to examine the Plan as independent examiner. In May 2019, following a period of consultation on the submission version of the plan, he produced his [report](#) confirming that he was satisfied that the plan meets the basic conditions and recommended that it should, subject to some changes, proceed to referendum.

Dorset Council considered the report on 25 June 2019 and issued its decision, which was in agreement with the examiner's findings, that the plan as modified should proceed to referendum.
