Health and safety at the site questionnaire

The Inspector will visit the site and will need to know what safety equipment and protective clothing to bring. The following questions indicate the type of information the Inspector will need about the site. Please supply any additional information on a separate sheet of paper.

1. Is the site uneven or does it present any other known risks? Is special footwear or any other Personal Protection Equipment required?

Some parts of the site are contained within a lane which is slightly uneven in places.

2. Is there any likelihood of exposure to pets or other animals which may present a risk to the safety of the Inspector?

No

3. Is the site remote and/or can it be seen from other highways or rights of way?

The claimed route can be walked from either direction. It would be necessary to walk the route in order to view it.

4. Does the site have a good mobile phone signal or is there easy access to a public telephone should the emergency services be required?

Yes

5. Is the right of way easily accessible? Will arrangements for access by the Inspector need to be made in advance?

No special arrangements needed

6. Are there any dangerous pieces of equipment or substances stored at any point along the right of way?

No

7. If there is any other relevant information which the Inspector should be aware of that is not covered in this questionnaire?

No
