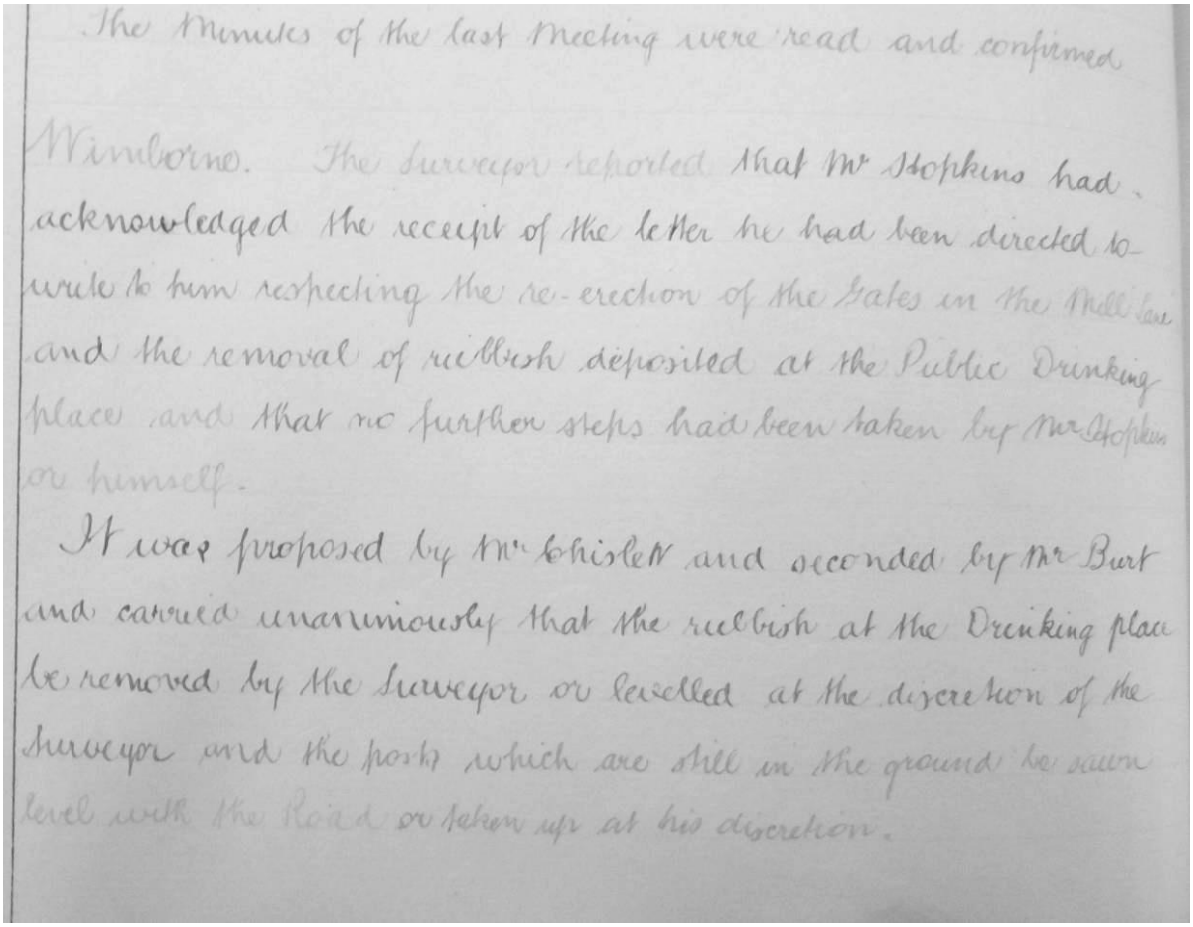
1878-1892 Highways Board minutes

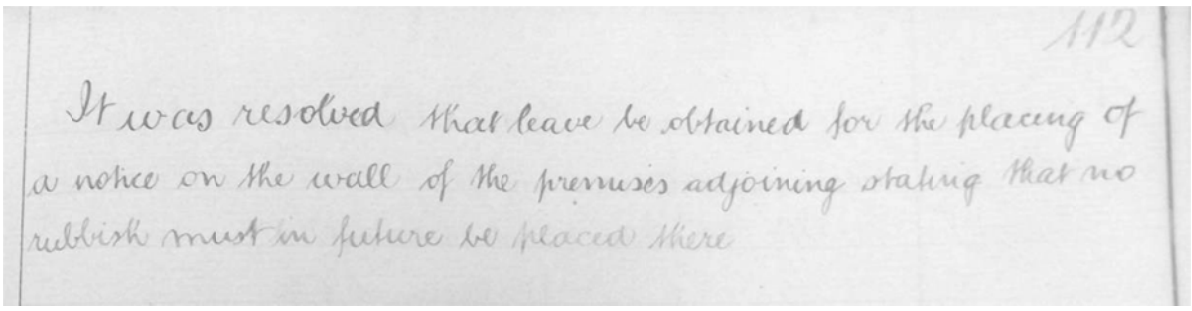
25 June 1892



The Minutes of the last Meeting were read and confirmed.

Wimborne. The Surveyor reported that Mr Hopkins had acknowledged the receipt of the letter he had been directed to write to him respecting the re-erection of the Gates in the Mill Lane and the removal of rubbish deposited at the Public Drinking place and that no further steps had been taken by Mr Hopkins or himself.

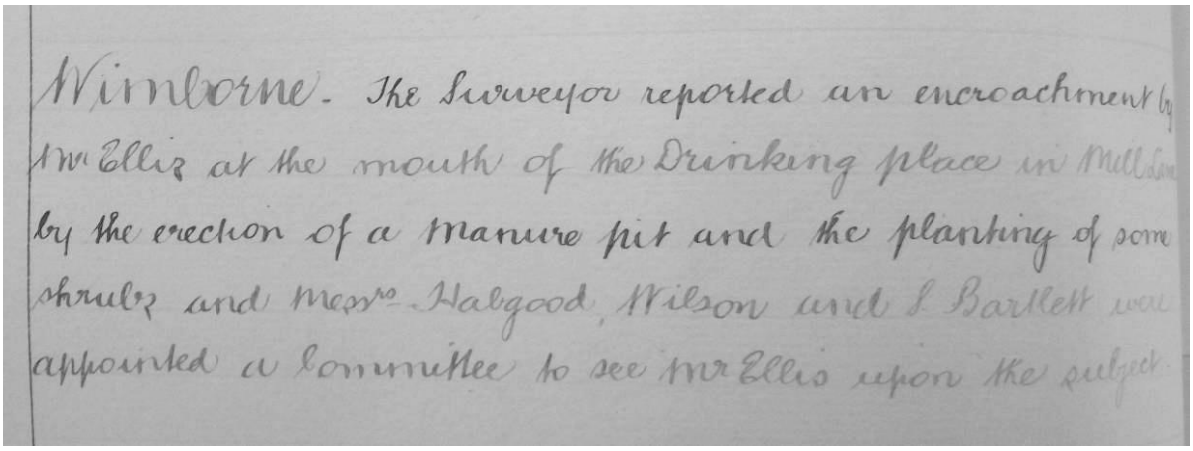
It was proposed by Mr Chislett and seconded by Mr Burt and carried unanimously that the rubbish at the Drinking place be removed by the Surveyor or levelled at the discretion of the Surveyor and the posts which are still in the ground be sawn level with the Road or taken up at his discretion.



112

It was resolved that leave be obtained for the placing of a notice on the wall of the premises adjoining stating that no rubbish must in future be placed there

26 February 1892



Wimborne. The Surveyor reported an encroachment by Mr Ellis at the mouth of the Drinking place in Mill Lane by the erection of a manure pit and the planting of some shrubs and Messrs. Halgood, Wilson and J. Bartlett was appointed a Committee to see Mr Ellis upon the subject

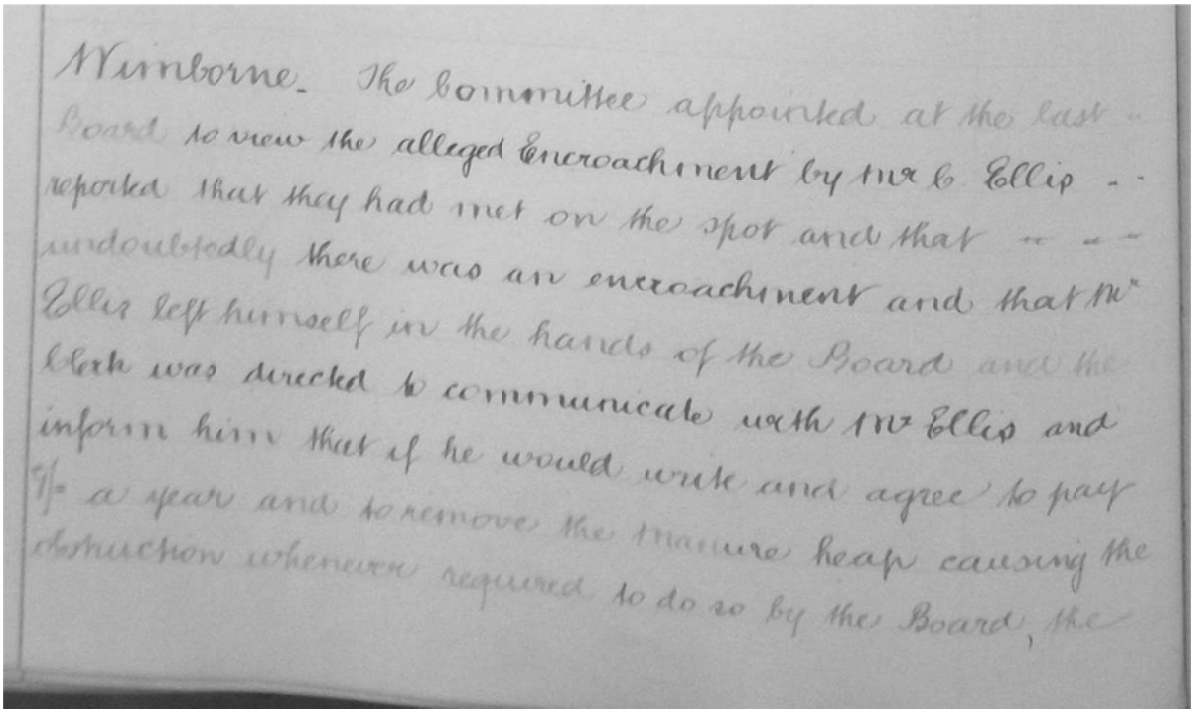
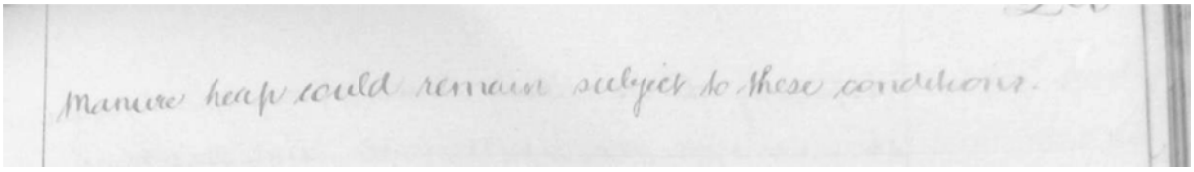
8 April 1892

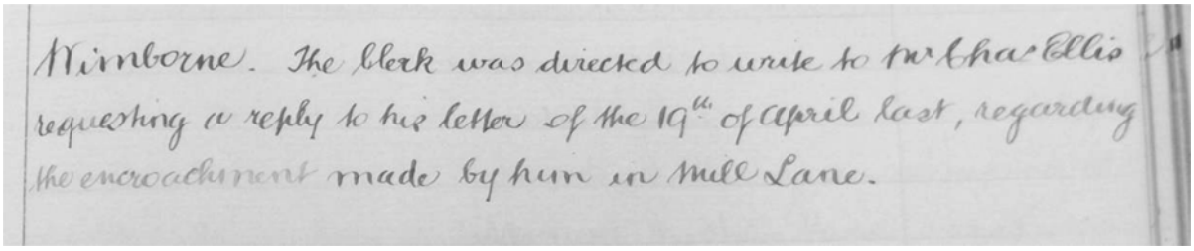


Wimborne. The Committee appointed at the last Board to view the alleged Encroachment by Mr G. Ellis - - reported that they had met on the spot and that - - - undoubtedly there was an encroachment and that Mr Ellis left himself in the hands of the Board and the Clerk was directed to communicate with Mr Ellis and inform him that if he would write and agree to pay 1/- a year and to remove the manure heap causing the obstruction whenever required to do so by the Board, the



manure heap could remain subject to these conditions.

17 June 1892



Wimborne. The Clerk was directed to write to Mr Chas Ellis requesting a reply to his letter of the 19th of April last, regarding the encroachment made by him in Mill Lane.
