Dear Ms Heywood,

Purbeck Local Plan

I am writing following the recent consultation on Proposed Further Main Modifications (FMM) to the Purbeck Local Plan. The consultation closed on 25 January 2022. We had indicated to you that we intended to share responses and a consultation document with you thereafter. We plan to publish the 30 responses that were received, together with this letter, on our website shortly to keep interested parties updated on the outcome of the consultation.

We have decided that we need to fully consider some of the issues raised in one of the responses (which relate to the process for considering FMM). We intend to finalise our consultation document as soon as possible having given it the necessary consideration.

Yours sincerely,

Michael Garrity
Head of Planning
