## Introduction: Errata interim mitigation strategy (consultation on Proposed Main Modifications to the Purbeck Local Plan)

1. Following publication of the Interim mitigation strategy the council has identified a number of errata, or errors, in the published electronic and paper drafts of the 'Interim mitigation strategy for heathland habitat sites (2018/19 to 2023/24).
2. The electronic drafts of the document have been published on the council's website ([FMMCD1: Interim Mitigation Strategy - Dorset Council](#)) and the paper drafts of the strategy are available to view at local libraries in Purbeck, Dorchester and Hamworthy, and in Town Council Offices in Lytchett Minster and Upton, Swanage and Wareham.
3. The document lists the errata which have been identified and suggests a correction put forward by the council. The consultation on the Further Proposed Main Modifications opened on Monday 6 December 2021 and closes on 24 January 2022. The council will maintain and update this list of errata during the consultation period.

### Errata in paper drafts of the interim mitigation strategy
