

Response form for: Purbeck Local Plan Further Proposed Main Modifications consultation

This form is for making representations on the Further Proposed Main Modifications to the Purbeck Local Plan (2018-2034)

In response to comments received on the Purbeck Local Plan Proposed Main Modifications Consultation, which closed earlier this year, the council is consulting on limited Further Proposed Main Modifications around Policy V2 and I5, which are considered necessary to ensure that the plan is sound.

The Purbeck Local Plan Examination Interim Mitigation Strategy For Heathland Habitat Sites (2018/19 to 2023/24) [Interim Strategy] sets out Further Proposed Main Modifications around policy V2 and I5 and considers a range of projects that could provide heathland mitigation in the event that the strategic SANG at Morden is not delivered.

The key Further Proposed Main Modifications (referenced as **FMM6**, **FMM7**, **FMM76** and **FMM77**) are detailed in Appendix 5 of the Interim Strategy

These Further Proposed Main Modifications give rise to a series of minor consequential Further Proposed Main Modifications: **FMM3**, **FMM66** and **FMM82**, which are set out in Appendix 6 of the Interim Strategy.

The council has also published an updated Habitats Regulation Assessment (HRA), Sustainability Appraisal Addendum (SA), policies maps to take account of the Further Proposed Main Modifications. and a series of Memoranda of Understanding to support the Interim Strategy.

These documents can be found on-line at www.dorsetcouncil.gov.uk/plpmainmods.

The council is inviting comments on the key and consequential Further Proposed Main Modifications, Interim Strategy, the Memoranda of Understanding, policies map, the updated Habitats Regulation Assessment and Sustainability Appraisal Addendum only. This is not an opportunity to raise matters relating to other parts of the Plan that have already been considered by the Inspector during the examination. Weight will not be given to representations that repeat matters raised and discussed at hearing sessions or in earlier responses.

Once the consultation is closed, the council will prepare a summary of the issues raised in representations to the consultation and provide its response. The council's summary, and full copies of the representations, will then be sent to the Planning Inspector for her consideration. If the Inspector's final report indicates that the local plan is sound and legally compliant with all the Proposed Further Main and Main Modifications, the council will then take a decision about whether to adopt the local plan subject to all Further Main and Main Modifications.
