Public Path Extinguishment Order 2022**

This Order is made by Dorset Council ("the authority") under section 118 of the Highways Act 1980 ("the 1980 Act") because it appears to the authority that the footpaths described in paragraph 1 below are not needed for public use.

This Order is also made under section 53A(2) of the Wildlife and Countryside Act 1981 ("the 1981 Act") because it appears to the authority that the County of Dorset definitive map and statement require modification in consequence of the occurrence of an event specified in section 53(3)(a)(i) of the 1981 Act, namely, the stopping up (as authorised by this Order) of a highway hitherto shown or required to be shown in the map and statement.

Bradpole Parish Council has been consulted as required by section 120(2) of the 1980 Act.

BY THIS ORDER:

1. The public right of ways over the land situate at Bradpole parish and shown by continuous bold lines on the map contained in this Order and described in Part 1 of the Schedule to this order shall be extinguished after 7 days from the date of confirmation of this order and thereupon the County of Dorset definitive map shall be modified by deleting from it these public rights of way and the definitive statement shall be modified as described in Part 2 of the Schedule to this order.
2. Notwithstanding this Order, where immediately before the date on which the paths extinguished in pursuance of this order, there is apparatus under, in, on, over, along or across the paths belonging to the statutory undertakers for the purpose of carrying out their undertaking then such undertakers shall continue to have the same rights in respect of their apparatus as they would have had if this Order had never been made.
