

STINSFORD NEIGHBOURHOOD PLAN 2017 - 2036

Information Statement

This information statement is about the referendum to be held
on the Stinsford Neighbourhood Plan

About town and country planning

In England, planning applications are determined by local planning authorities such as Dorset Council. Planning decisions are made in accordance with the adopted development plan, unless material considerations indicate otherwise. A development plan sets out the planning policies for the development and use of land.

At the current time, the [adopted Local Plan for West Dorset](#), which forms part of the development plan, is the starting point for considering planning applications in the area covered by the Stinsford Neighbourhood Plan. The [National Planning Policy Framework](#) must be taken into account in the preparation of local and neighbourhood plans, and is a material consideration in planning decisions.

The Council's [Local Development Scheme](#) contains information on development plan documents that are being prepared.

About neighbourhood planning and the Stinsford Neighbourhood Plan

Neighbourhood planning aims to help local communities play a direct role in planning the areas in which they live and work. Stinsford Parish Council has produced the plan which shows how the community wants land to be used and developed in the neighbourhood plan area. If a plan is made following a successful referendum, it becomes part of the development plan for that area.

Stinsford Parish Council started preparing a neighbourhood plan in 2017. After much research and having listened to the various issues and suggestions made through various consultation events, a draft of version of the plan was produced for consultation between 15 March – 27 April 2021. The plan was then revised in response to the consultation and submitted to Dorset Council in September 2021. Dorset Council consulted on the submitted plan from 13 October 2021 until 24 November 2021.

Andrew Mead BSc (Hons) MRTPI MIQ was appointed to examine the plan as independent examiner. In February 2022 the examiner produced his [report](#) confirming

that he was satisfied that the plan meets the basic conditions and recommended that it should, subject to some changes, proceed to referendum.

Dorset Council considered the report and issued its decision, which was in agreement with the examiner's findings, that the plan as modified should proceed to referendum.
