

These Park Rules are in place to ensure acceptable standards are maintained on the Park, which will be of general benefit to occupiers, and to promote and maintain community cohesion. They form part of the agreement by which homeowners occupy the pitch in accordance with the Mobile Homes Act 1983, as amended.

None of these rules have retrospective effect. Accordingly:

- II. No occupier who is in occupation on that date will be treated as being in breach due to circumstances which were in existence on that date and which would not have been a breach of the rules in existence before that date.
