

Swanbridge Park Homes

In these rules:

- "occupier" means anyone who occupies a park home, whether under an Agreement to which the Mobile Homes Act 1983 applies or under a tenancy or any other agreement.
- "you" and "your" refers to the homeowner or other occupier of a park home
- "we" and "our" refers to the park owner.

These rules are in place to ensure acceptable standards are maintained on the park, which will be of general benefit to occupiers, and to promote and maintain community cohesion. They form part of the Agreement by which homeowners occupy the pitch in accordance with the Mobile Homes Act 1983, as amended.

With one exception the rules also apply to any occupiers of park homes who rent their home.

The only rule which does not apply to occupiers who rent their home is rule 30 about the colour of the exterior of the home, as someone renting their home would not be responsible for exterior maintenance.

None of these rules is to have retrospective effect. Accordingly:

- They are to apply only from the date on which they take effect; and
- No occupier who is in occupation on that date will be treated as being in breach due to circumstances which were in existence on that date and which would not have been a breach of the rules in existence before that date.

These rules do not apply (for so long as they live on the park) to the park owner and their family.

Condition of the Pitch

1. For reasons of ventilation and safety you must keep the underneath of your home clear, this includes any weeds, and not use it as a storage space.
2. You must not erect fences or other means of enclosure unless you have obtained our approval in writing (which will not be unreasonably withheld or delayed). You must position fences and any other means of enclosure so as to comply with the park's site licence conditions and fire safety requirements.
3. You must not have external fires, including incinerators.
4. You must not keep inflammable substances on the park except in quantities reasonable for domestic use.
5. You must not keep explosive substances on the park.

6. Sheds are only permitted with the prior written permission of the park owner (which will not be withheld unreasonably) and where permitted must be of a design, standard and size approved by us in writing (approval will not be withheld unreasonably).

7. You must not have any storage receptacle other than the shed(s) mentioned in rule 6 and any receptacle for the storage of domestic waste pending collection by the local authority.
8. You must ensure that any shed or other structure erected in the separation space between park homes is of non-combustible construction and positioned so as to comply with the park's site licence conditions and fire safety requirements. The separation space is the space between your park home and any neighbouring home.

Refuse

9. You are responsible for the disposal of all household, recyclable and garden waste in approved containers through the local authority service. You must not overfill containers and must place them in the approved position for the local authority collections.
10. You must not deposit any waste or rubbish other than in local authority approved containers on any part of the park (including any individual pitch).

Business Activities

11. You must not use the park home, the pitch or the park (or any part of the park) for any business purpose, and you must not use the park home or the pitch for the storage of stock, plant, machinery or equipment used or last used for any business purpose. However you are at liberty to work individually from home by carrying out any office work of a type which does not create a nuisance to other occupiers and does not involve other staff, other workers, customers or members of the public calling at the park home or the park.

Occupants

12. No person under the age of 50 years may reside in a park home.
13. The occupier is responsible for the conduct of children in his/her custody and of visitors.

Noise Nuisance

14. You must not use musical instruments, all forms of recorded music players, radios and other similar appliances and motor vehicles so as to cause a nuisance to other occupiers, especially between the hours of 11.00 pm and 8.00am.

Pets

15. You must not keep any pet or animal at the park home except for the following:
 - 15.1. Birds which must be kept within the park home at all times;
 - 15.2. Fish which must be kept within the park home at all times.
16. A new homeowner may come onto the park with not more than one dog or cat (other than a dog of any breeds subject to the Dangerous Dogs Act 1991) which they already own and may keep for as long as they wish but they shall not be permitted to replace the pet or acquire another pet.

17. You must keep any dog or cat under proper control and must not permit it to frighten other users of the park, or to despoil the park.
18. Nothing in rule 15 or 16 of these Park Rules prevents you from keeping an assistance dog if this is required to support your disability and Assistance Dogs UK or any successor body has issued you with an Identification Book or other appropriate evidence.

Note

The express terms of a homeowner's agreement contain an undertaking on the part of the homeowner not to allow anything which is or becomes a nuisance, inconvenience or disturbance to other occupiers at the park and this undertaking extends to the behaviour of pets and animals. A similar requirement not to cause a nuisance applies to tenants and again this includes the behaviour of pets and animals.

20. You must only use fire point extinguishers in case of fire.

 - 24.2. Vehicles intended for domestic use but derived from or adapted from such a commercial vehicle
25. You must not park or allow parking of touring caravans, caravanettes, motorhomes or boats on the park.
26. You must hold a current driving licence and be insured to drive any vehicle on the park. You must also ensure that any vehicle you drive on the park is taxed in accordance with the requirements of law and is in a roadworthy condition.
27. Disused or unroadworthy vehicles must not be kept anywhere on the park. We reserve the right to remove any vehicle which is apparently abandoned.
28. You must not carry out the following repairs on the park:
 - 28.1. Major vehicles repairs involving dismantling of part(s) of the engine

28.2. Works which involve the removal of oil or other fuels.
