A.2 The following schedule of saved policies from the North Dorset District-Wide Local Plan 2003 lists those policies that will continue to be retained until reviewed in either Part 2 of the North Dorset Local Plan, that deals with site allocations, or through a neighbourhood plan.

A.3 The Council will also have regard to the supporting text relating to the retained saved policies from the 2003 Local Plan when making development management decisions.

Retained policies from the North Dorset District-Wide Local Plan (1st Revision) Adopted 2003		Notes
1. Strategy/Environment		
1.7 Development within Settlement Boundaries	Settlement boundaries around the four main towns, Stalbridge and the eighteen larger villages in the 2003 Local Plan are retained and will continue to be used for development management purposes alongside the proposals for housing and employment growth and regeneration, as set out in Policies 16, 17, 18, 19 and 21 of this document (Local Plan Part 1) until they are reviewed either through the Local Plan Part 2 or a neighbourhood plan. The settlement boundaries defined around all other settlements in the 2003 Local Plan are removed and these settlements (listed in Appendix B of this document) will be subject to countryside policies unless new settlement boundaries are defined in neighbourhood plans or the Local Plan Part 2.	
1.9 Important Open/Wooded Areas (IOWA's) within Settlements	IOWA were designated to protect the amenity and character of settlements from the pressure of infill development. They will continue to be saved until they are reviewed either through the Local Plan Part 2 or a neighbourhood plan.	
1.12 River Valleys	River valleys are an important landscape feature in North Dorset; the Stour and its tributaries. Policy 1.12 states that development will not be permitted within the River Valley areas that are defined on the Proposal Maps. The policy and areas identified on the proposals map are retained and will continue to be used for development management purposes until they are reviewed through the North Dorset Local Plan Part 2 or a neighbourhood plan.
