If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary in the space below:

I can express my views clearly on the Core Strategy. The oral part of the Public Meeting shows democracy working at its best.

Please note that the Inspector will determine the most appropriate procedure to hear those who have indicated that they wish to participate at the oral part of the examination.

Part A: Legal Compliance – Has the **process** of preparing this Core Strategy been followed in accordance with national guidance?

Part B: Soundness – Is the **content** of the Core Strategy sound, in other words, is it 'justified', 'effective' and 'consistent with national policy'?

Please use the forms overleaf to submit your response.

FORM B: Your comments on the Schedule of Main Modifications

PLEASE USE A SEPARATE SHEET FOR EACH REFERENCE NUMBER

Please state the relevant reference number that you are commenting on from the Schedule of Main Modifications in the box below (e.g. MM1):

MM31

Comments without the relevant reference number will not be accepted.

Do you consider this Main Modification (in box above) proposed by the Council to be 'Sound'?

(In other words is the Main Modification 'justified', 'effective' and 'consistent with national policy')

Yes

No

No Comment

If you have chosen 'No', do you consider this change to the Core Strategy be unsound because:

(tick all that apply)

It is not 'justified'

(i.e. the proposed change is not founded on a robust and credible evidence base and/or doesn't provide the most appropriate strategy)

It is not 'effective'

(i.e. the proposed change is not deliverable, not flexible and not able to be monitored)

It is not 'consistent with national policy'

(For explanation of terms refer to guidance notes below)

Comments:

Please use the space below to provide more detailed comments (expand box as necessary)

If the owner of the, Huntick Road site does not comply with mitigation requirements, P. D. C should consider other sites to increase flexibility of their plan in Lytchett Matravers.

Suggested Alterations:

Please use the space below to give details of what alteration(s) you consider necessary to make the Main Modification to the Core Strategy sound and why. Please suggest revised wording (expand box as necessary).

My brother and I can offer an alternative site at Dooms Drive, which would protect the health land at Sherford Road, as we can provide one acre of land for dog walking and recreational use.

Note: Please use a separate sheet when responding to more than one Main Modification. Additional sheets can be photocopied and attached to this form or downloaded from www.dorsetforyou.com/purbeck_consultation
