Return to Purbeck District Council by Tuesday 31st July 2012

Late or anonymous representations will not be accepted. All representations received will be published on the Council's website, along with your name.

An example of a completed form is available on the Council's website.

Alternatively, if you would like help completing this form please contact the Planning Policy Team.

For further information, visit http://www.dorsetforyou.com/purbeck_consultation, email ldf@purbeck-dc.gov.uk or call 01929 557359 to speak to a member of the Planning Policy Team.

You should comment only on the Main Modifications, the Habitats Regulations Assessment Statement and/or the Addendum to the Sustainability Appraisal.

Responses on the above documents will be sent to the Planning Inspector. **Therefore, you do not need to repeat your previous comments or re-submit your previous representations.**

The Inspector will decide if further public hearing sessions are required as part of the examination process. All representations on matters of soundness will be fully considered by the Inspector. You may choose to request to appear at a public hearing to clarify your comments on the Main Modifications. Do you consider it necessary to participate at the oral part of the examination?

<input type="checkbox"/> No , I do not wish to participate at the oral examination	<input checked="" type="checkbox"/> Yes , I wish to participate at the oral examination
---	--

If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary in the space below:

The issue relating to Wareham Common needs to be examined more thoroughly and through the experience of an actual resident of this very sensitive area being party to the 24 hours a day situation.

Please note that the Inspector will determine the most appropriate procedure to hear those who have indicated that they wish to participate at the oral part of the examination.

Representations:

You are asked to comment on the Main Modifications to the Core Strategy, the Habitats Regulations Assessment Statement and/or the Addendum to the Sustainability Appraisal:

Part A: Legal Compliance – Has the **process** of preparing this Core Strategy been followed in accordance with national guidance?

Part B: Soundness – Is the **content** of the Core Strategy sound, in other words, is it ‘justified’, ‘effective’ and ‘consistent with national policy’

Please use the forms overleaf to submit your response.

FORM A: Your Comments on Legal Compliance

Are the Main Modifications to the Core Strategy legally compliant?

*(In other words, has the **process** of preparing this version of the Core Strategy been followed in accordance with national guidance?)*

Yes

No

No Comment

Comments:

Please use the space below to provide more detailed comments (expand box as necessary)

I am not qualified to comment on the legality of this document. I would like to comment that it would appear that some modifications still do not address the issues of Wareham Common correctly as per my comments on the following forms relating to MM23 and MM25.

FORM B: Your comments on the Schedule of Main Modifications

PLEASE USE A SEPARATE SHEET FOR EACH REFERENCE NUMBER

Please state the relevant reference number that you are commenting on from the Schedule of Main Modifications in the box below (e.g. MM1):

MM23

Comments without the relevant reference number will not be accepted.

Do you consider this Main Modification (in box above) proposed by the Council to be ‘Sound’?

(In other words is the Main Modification ‘justified’, ‘effective’ and ‘consistent with national policy’)

Yes

No

No Comment

If you have chosen ‘No’, do you consider this change to the Core Strategy be unsound because:

(tick all that apply)

It is not ‘justified’
(i.e. the proposed change is not founded on a robust and credible evidence base and/or doesn’t provide the most appropriate strategy)

It is not ‘effective’
(i.e. the proposed change is not deliverable, not flexible and not able to be monitored)

It is not ‘consistent with national policy’

(For explanation of terms refer to guidance notes below)

The modification only considers the impacts on Wareham Common SSSI and does not mention the remainder of the surrounding common which is home to diverse wildlife its habitat and a watercourse that will become overwhelmed by the use of the additional residents and their pets due to the nature of the unsuitable SANGS proposed. The other developments in the document outside of Wareham all have adjacent SANGS. The Wareham development proposes SANGS some distance away and across a busy bypass from the development. The more convenient recreation land being that of Wareham Common which is virtually adjacent and which is already under immense pressure from the existing residents and visitors to the area. Litter, dog fouling, anti-social behavior etc. There is no physical boundary between the SSSI land and the common which will effectively become the SANGS land and suffer as a result.

By focusing only on the SSSI draws attention away from the remainder of this very fragile environment that actually feeds the SSSI. It has a major watercourse that provides for the special nature of the SSSI and itself is the home of wildlife that is endangered. Voles, sand lizards, water birds etc are all pursued by the dog walkers pets. An increase in the numbers of dog walkers as a result of them using Wareham Common rather than the distant SANGS provision will mean a decrease in the numbers of these wildlife species. An outbreak of Foot and Mouth some years back deterred dog walkers from the Common for some months whereupon the wildlife flourished not only on the SSSI but the remainder of the common also. It would appear that the proposed SANGS with no special wildlife that is to far for people to walk to will remain unchanged but Wareham Common which is a very important habitat will be diminished as the developer cannot provide suitable adjacent SANGS or will not allocate it from within the development for financial reasons.

Suggested Alterations:

Please use the space below to give details of what alteration(s) you consider necessary to make the Main Modification to the Core Strategy sound and why. Please suggest revised wording (expand box as necessary).

Minimising impacts of recreation on Wareham Common SSSI and the surrounding common by providing suitable adjacent SANGS within the development.

The wording only allows for the minimising of the recreational impact on the SSSI part of Wareham Common. The SSSI and Wareham Common have no physical boundary to differentiate where dogs and people will roam and drop litter, light barbecues etc. The protection of the SSSI is therefore not possible and the unsuitability of the proposed SANGS will aid the destruction of this habitat. Wareham Common must not become the SANGS because the land owner will not provide adjacent SANGS. The development should be scaled down to allow part of the development site to provide sufficient and appropriate SANGS and not force the delicate habitat of Wareham Common to do this. If this is uneconomical to them then the development is not suitable. It does not fit within its own boundaries if the adjacent land is not available.

Suggested Alterations:

Please use the space below to give details of what alteration(s) you consider necessary to make the Main Modification to the Core Strategy sound and why. Please suggest revised wording (expand box as necessary).

recreational impact upon Wareham Common is managed to ensure no adverse effects upon the SSSI or Wareham Common itself. The developer should provide suitable SANGS adjacent to or within the development to ensure this.

Guidance Note for Completing Representation Form

1. Introduction

- 1.1 Consultation on the Main Modifications to the Core Strategy is made as part of the examination process and responses will be considered by the Planning Inspector. The Planning and Compulsory Purchase Act 2004¹ (the 2004 Act) states that the purpose of the examination is to consider whether the Core Strategy complies with the legal requirements and is '**sound**'.
- If you are seeking to make representations on the **way** in which the Council has prepared the Core Strategy it is likely that your comments or objections will relate to a matter of **legal compliance**.
 - If it is the **actual content** on which you wish to comment or object it is likely it will relate to whether the Core Strategy is **justified, effective or consistent with national policy**.

2. Legal Compliance

- 2.1 The Inspector will first check that the Core Strategy meets the legal requirements under s20(5)(a) of the 2004 Act before moving on to test for soundness. You should consider the following before making a representation on legal compliance:
- The Core Strategy should be within the current Local Development Scheme² (LDS) and the key stages should have been followed. The LDS is effectively a programme of work prepared by the Council, setting out the plans it proposes to produce over a 3 year period. It will set out the key stages in the production of the Core Strategy which the Council proposes to bring forward for independent examination. If the Core Strategy is not in the current LDS it should not have been published for representations.
 - The process of community involvement for the DPD in question should be in general accordance with the Council's Statement of Community Involvement (SCI)³. The SCI is a document which sets out the Council's strategy for involving the community in the preparation and revision of its plans, including the Core Strategy.
 - The Core Strategy should comply with the Town and County Planning (Local Development) (England Regulations) 2004 as amended⁴. Prior to submission the Council must publish the documents prescribed in the regulations, and make them available at their principal offices and their website. The Council must also place local advertisements and notify the statutory bodies (as set out in the regulations) and any persons who have requested to be notified.
 - The Council is required to publish a Sustainability Appraisal report prior to submitting the Core Strategy. This should identify the process by which the Sustainability Appraisal has been carried out, and the baseline information used to inform the process and the outcomes of that process. Sustainability Appraisal is a tool for appraising policies to ensure they reflect social, environmental, and economic factors.
 - The Core Strategy should have regard to national policy set out in Planning Policy Statements/Guidance and Circulars⁵.

⁵ <http://www.planningportal.gov.uk/planning/planningpolicyandlegislation/currentenglishpolicy>

- The Core Strategy must have regard to any Sustainable Community Strategy (SCS) for its area (i.e. county and district). These are the Purbeck Community Plan 2009-2020⁶ and The Community Strategy for Dorset (2007-2016)⁷.

3. Soundness

3.1 To be sound a Core Strategy should be:

- **Justified**

This means that the Core Strategy should be founded on a robust and credible evidence base involving:

- Evidence of participation of the local community and others having a stake in the area
- Research/fact finding: the choices made in the plan are backed up by facts

The Core Strategy should also provide the most appropriate strategy when considered against reasonable alternatives. These alternatives should be realistic and subject to sustainability appraisal. The Core Strategy should show how the policies and proposals help to ensure that the social, environmental, economic and resource use objectives of sustainability will be achieved.

- **Effective**

This means the Core Strategy should be deliverable, embracing:

- Sound infrastructure delivery planning
- Having no regulatory or national planning barriers to delivery
- Delivery partners who are signed up to it
- Coherence with the strategies of neighbouring authorities

The Core Strategy should also be flexible and able to be monitored by:

- Indicating who is to be responsible for making sure that the policies and proposals happen and when they will happen.
- Being flexible to deal with changing circumstances, which may involve minor changes to respond to the outcome of the monitoring process or more significant changes to respond to problems such as lack of funding for major infrastructure proposals. Although it is important that policies are flexible, the Core Strategy should make clear that major changes may require a formal review including public consultation.
- Ensuring that any measures which the Council has included to make sure that targets are met are clearly linked to an Annual Monitoring Report. This report must be produced each year by all local authorities and will show whether the Core Strategy needs amendment. The monitoring framework is in Appendix 3 of the Core Strategy.

- **Consistent with national policy**

The Core Strategy should be consistent with national policy. Where there is a departure, the Council must provide clear and convincing reasoning to justify their approach. Conversely, you may feel the Council should include a policy or policies which would depart from national policy to some degree in order to meet a clearly identified and fully justified local need, but they have not done so. In this instance it will be important for you to say in your representations what the local circumstances are that justify a different policy approach to that in national policy and support your assertion with evidence.

⁷ <http://www.dorsetforyou.com/dorsetcommunitystrategy> and can be viewed at District Council offices

- 3.2 If you think the content of a Core Strategy is not sound because it does not include a policy where it should do, you should go through the following steps before making representations:
- Is the issue with which you are concerned already covered specifically by any national planning policy? If so it does not need to be included.
 - Is what you are concerned with covered by any other policies in the Core Strategy on which you are seeking to make representations or in any other part of the Purbeck Local Plan⁸. There is no need for repetition between documents in the Local Plan.
 - If the policy is not covered elsewhere, in what way is the Core Strategy unsound without the policy and what should the policy say?

4. General advice

- 4.1 The modifications are set out in the Schedule of Main Modifications. You can only comment on these, or the Habitats Regulations Assessment Statement, or the Addendum to the Sustainability Appraisal. Comments should not be made on text that has not been modified.
- 4.2 Form A is for comments on Legal Compliance and should only be completed once. You should only comment on whether the preparation of the Proposed Changes to the Core Strategy is legally compliant, rather than commenting on earlier versions.
- 4.3 Form B is for comments on Soundness. You should complete a separate form for each proposed change. You will need to state whether each change is sound or not. If you seek to amend the Core Strategy, you should support your comments with evidence as to why it should be altered and provide alternative wording. After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.
- 4.2 Where there are groups who share a common view on how they wish to see a Core Strategy changed, it would be very helpful for that group to send a single representation which represents the view, rather than for a large number of individuals to send in separate representations which repeat the same points. In such cases the group should indicate how many people it is representing and how the representation has been authorised.
- 4.3 Further detailed guidance on the preparation, publication and examination of Core Strategies is provided in The Plan Making Manual⁹.

'Planning Purbeck's Future': Main Modifications to the Core Strategy Statement of Representations Procedure

The Purbeck Core Strategy will replace the Purbeck District Local Plan Final Edition (2004) as the strategic planning document. The Council submitted the Core Strategy for Examination in January 2012 and public hearings were held during May 2012. A number of issues have been raised, requiring some further amendment to the Core Strategy. These amendments are set out in the following consultation documents: Schedule of Main Modifications, Habitats Regulations Assessment Statement and Addendum to the Sustainability Appraisal (June 2012).

Subject Matter and Area Covered by the Document

Covering the period 2006-2027 the Core Strategy determines the location and distribution of new development across Purbeck District, allocating three strategic housing sites at Lytchett Matravers, Wareham and Upton. It also contains development management policies that will be used to determine planning applications.

Period for Representations

The consultation period begins **19th June 2012**. Representations received after **31st July 2012** will not be accepted. Representations should be made on the official response form, and sent to ldf@purbeck-dc.gov.uk, or by post to *Planning Policy, Purbeck District Council, Westport House, Worgret Road, Wareham, Dorset, BH20 4PP*, or fax to 01929 557348.

Please note that we will only accept representations referring to the changes shown in the 'Schedule of Main Modifications' and with the correct reference number (e.g. MM1).

The Council will forward all representations to the Inspector, there is no need to re-submit previous representations. Responses will be published.

If you wish to continue to be contacted on planning policy matters following the completion of the Examination of the Core Strategy, and/or when the inspector's report is published, and/or when the Core Strategy is adopted, please complete the attached form to confirm.

Consultation Arrangements

All consultation documents and response forms are available to view on the council's website (http://www.dorsetforyou.com/purbeck_consultation) and at the council's offices (Mon-Thurs 8:45am-4:45pm, and Fri 8:45am-4:15pm). Hard copies of the consultation documents can be purchased for £10 inc. P&P. There is no charge for the response forms.
