Representations:

You are asked to comment on the Main Modifications to the Core Strategy, the Habitats Regulations Assessment Statement and/or the Addendum to the Sustainability Appraisal:

Part A: Legal Compliance – Has the **process** of preparing this Core Strategy been followed in accordance with national guidance?

Part B: Soundness – Is the **content** of the Core Strategy sound, in other words, is it ‘justified’, ‘effective’ and ‘consistent with national policy’

Please use the forms overleaf to submit your response.

FORM A: Your Comments on Legal Compliance

Are the Main Modifications to the Core Strategy legally compliant?

*(In other words, has the **process** of preparing this version of the Core Strategy been followed in accordance with national guidance?)*

Yes

No

Please use the space below to provide more detailed comments (expand box as necessary)

FORM B: Your comments on the Schedule of Main Modifications

PLEASE USE A SEPARATE SHEET FOR EACH REFERENCE NUMBER

Please state the relevant reference number that you are commenting on from the Schedule of Main Modifications in the box below (e.g. MM1):

7.4.8

Comments without the relevant reference number will not be accepted.

Do you consider this Main Modification (in box above) proposed by the Council to be 'Sound'?

(In other words is the Main Modification 'justified', 'effective' and 'consistent with national policy')

Yes

No

No Comment

If you have chosen 'No', do you consider this change to the Core Strategy be unsound because:

(tick all that apply)

It is not 'justified'

(i.e. the proposed change is not founded on a robust and credible evidence base and/or doesn't provide the most appropriate strategy)

It is not 'effective'

(i.e. the proposed change is not deliverable, not flexible and not able to be monitored)

It is not 'consistent with national policy'

(For explanation of terms refer to guidance notes below)

Comments:

Please use the space below to provide more detailed comments (expand box as necessary)

'The change of use of agricultural land to provide the settlement extension and the accompanying SANGS can help offset the increase in nitrates from sewerage resulting from new dwellings, thereby ensuring the development is nitrogen neutral with no adverse harm upon water quality in Poole Harbour'

Where is the evidence for this please?

Additionally, the report makes no reference as to how the narrow road in Policemans Lane will cope with the additional traffic. A major concern amongst local residents.

Suggested Alterations:

Please use the space below to give details of what alteration(s) you consider necessary to make the Main Modification to the Core Strategy sound and why. Please suggest revised wording (expand box as necessary).

Covering the period 2006-2027 the Core Strategy determines the location and distribution of new development across Purbeck District, allocating three strategic housing sites at Lytchett Matravers, Wareham and Upton. It also contains development management policies that will be used to determine planning applications.

Period for Representations

The consultation period begins **19th June 2012**. Representations received after **31st July 2012** will not be accepted. Representations should be made on the official response form, and sent to ldf@purbeck-dc.gov.uk, or by post to *Planning Policy, Purbeck District Council, Westport House, Worgret Road, Wareham, Dorset, BH20 4PP*, or fax to 01929 557348.

Please note that we will only accept representations referring to the changes shown in the 'Schedule of Main Modifications' and with the correct reference number (e.g. MM1).

The Council will forward all representations to the Inspector, there is no need to re-submit previous representations. Responses will be published.

If you wish to continue to be contacted on planning policy matters following the completion of the Examination of the Core Strategy, and/or when the inspector's report is published, and/or when the Core Strategy is adopted, please complete the attached form to confirm.
