

# Draft Mineral Sites Plan – Proposed Aggregates Area of Search

Landscape & Ecological Impact Assessment – Prepared February 2015, Revised February 2018

Dorset County Council Natural Environment Team

SNCI's are not included on this map as the sheer number of sites obscures the overview achieved by just including SAC/SPA/Ramsar/SSSI sites.

## Plan 4: the extent and location of Special Areas of Conservation within the proposed area of search.

# Draft Mineral Sites Plan – Proposed Aggregates Area of Search

Landscape & Ecological Impact Assessment – Prepared February 2015, Revised February 2018

Dorset County Council Natural Environment Team

There are three SPA's within the proposed area of search. They are listed below.

## Plan 6: the extent and location of Ramsar sites within the proposed area of search.
