Location Plan:-

Legend:-

- District Council Boundary
- Main River
- Current Flood Zone 3 (equivalent to 100 year plus climate change scenario)
- Modelled climate change scenario (using current 100 year flows increased by 20%)

NOTE - In all locations, the 100 year plus climate change flood outline is based on best available information.

Project:-

WEST DORSET DISTRICT COUNCIL STRATEGIC FLOOD RISK ASSESSMENT

Title C4:-

CLIMATE CHANGE
