

Location Plan:

Legend:

- Water Course Boundary
- Main River
- Current Flood Zone 2 (exceeding 100 year plus climate change return)
- Medium-term (long return) flood (up to 100 year plus climate change return)

NOTE: In all locations, the 100 year plus climate change flood outline is based on best available information.

The map is reproduced from the Council's Flood Risk Assessment of the District Council of West Dorset, published by the Council in 2010. The map is reproduced with the permission of the Council. West Dorset District Council, 10002007, 2010.

Project:
WEST DORSET DISTRICT COUNCIL STRATEGIC FLOOD RISK ASSESSMENT

Topic:
CLIMATE CHANGE
