POST ROOM

Dear Mr James,

Further to your letter of the 2nd July regarding future plans for Blandford St Mary.

1 I am concerned with safety crossing the A354 + A35 as I am 84 years + partly disabled, due to increased traffic, also pollution.

2 Contaction with Doctors + the possibl delay in making appointments. Especially in emergencies. The same points with Dentists.

3 Where are you going to find extra parking spaces, which is not easy to find, even with a Blue Ticket.

4 Will there spaces in local schools? for the extra children

5 Was the availability of more suitable sites to the West & North of Blandford Forum within the bypass, been considered, or any building out side the ring road.

6

One further point, will this plan have any effect on the value of my property, as we are too old to consider moving. as we have been in this house for over 20 years.

Yours sincerely

  
IVY GLEED.
