Q6: 4. What would you like to happen?(Please give further details or suggested wording in box for Q6) Amend the proposed modification - you should suggest amended wording below
,
Add a new policy or paragraph - you should suggest new wording below

PAGE 3

Q7: 5. If there is an additional examination hearing session, would you like to verbally express your views to the Inspector? No

Q8: 6. Your Comments. Please provide more details about: Why you do/do not feel that the proposed modification meets the soundness criteria set out in Q3? What changes to the proposed modification wording/new wording you are suggesting? What additional policies or wording you are suggesting? To assist the Inspector please try to be as concise as possible.

I think extra housing is needed as the population is growing but with this we need more room in schools for the children. This is a huge problem as teachers are having to teach classes of 30+ and TAs are expected to do so much more than their pay grade. I think it is positive that you have thought about the medical health side of things though.

Q9: 7. Do you wish to be updated on the progress of this document? Yes
