Morning Catherine

I have run the figures as requested as a collective total for Stalbridge and the surrounding parishes as the list. Not much in the area.

Couple/single requiring 1 Bed	43
Family requiring 2 Bed	29
Family requiring 3 Bed	8
Family requiring 4 Bed	7
<hr/>	
Total	<u>87</u>

Hope that is useful.
Regards
Simon

Hi Paul

Further to my email, I would also be grateful if you could provide me with the latest updated figures for Stalbridge, as I presume these may have changed since early March?

Hello Catherine

Please find below numbers from the housing register for households with a connection to Stalbridge and Stourton Caundle.

I have split this by household size and priority group. Those shown as ineligible can only bid for low cost home ownership. We are encouraging those with a need for low cost home ownership to register with the Help to Buy agent.

I should also mention there are some housing developments that have planning permission in the area which could impact on the numbers.

Stalbridge	INELIG	BRONZE	SILVER	GOLD	EC	(blank)	Grand Total
Single person requiring studios or 1 bedroom		7	5	5	1		18
Couple requiring studios or 1 bedroom		1	1				2
Family requiring 2 bedrooms	1	13	4	1			19
Family requiring 3 bedrooms		2	5				7
Family requiring 4 bedrooms		1	1				2
(blank)							
Grand Total	1	24	16	6	1		48

Any further queries please let me know.

Paul

Hello

I was hoping someone might be able to provide me with the social/intermediate housing need for Stalbridge – I just need to know the housing need numbers within each category if possible?

Many thanks

Catherine
