

List of Safeguarded Waste Facilities in Bournemouth, Dorset and Poole – December 2017

The Bournemouth, Dorset & Poole Waste Plan Pre-Submission Draft was published on 1 December 2017. Policy 24 of the Plan safeguards existing waste facilities that meet specified criteria, as well as site allocated in the Plan. Chapter 13 of the Plan provides more detail. The Plan is available at www.dorsetforyou.com/waste-plan

The safeguarded waste facilities at the time of publication are listed below. They can also be viewed on the Safeguarding Map, included at Appendix 4 of the Plan, and on Dorset Explorer.

Following adoption of the Waste Plan, the list of safeguarded waste facilities will be reviewed and updated regularly through the annual monitoring process.

1. Waste Site Allocations – Bournemouth, Dorset & Poole Waste Plan Pre-Submission Draft (December 2017)

Reference number	Site name	Reason for Safeguarding
Inset 1	Woolsbridge Industrial Estate	All sites allocated under Policy 3 of the Bournemouth, Dorset & Poole Waste Plan (Pre-Submission Draft) are safeguarded.
Inset 2	Land south of Sunrise Business Park	
Inset 3	Land at Brickfields Business Park	
Inset 4	Land at Blackhill Road, Holton Heath Industrial Estate	
Inset 5	Land east of Loudsmill	
Inset 6	Old Radio Station	
Inset 7	Eco Sustainable Solutions, Chapel Lane	
Inset 8	Land at Canford Magna	
Inset 9	Land at Mannings Heath Industrial Estate	
Inset 10	Binnegar Environmental Park	
Inset 11	Land at Bourne Park	
Inset 12	Gillingham Sewage Treatment Works	
Inset 13	Maiden Newton Sewage Treatment Works	

2. Permitted, undeveloped waste sites

Type of facility	Site name	Company/ Site operator	Permanent/ Temporary planning permission with end date	Reason for Safeguarding
MRF/Cardboard Recycling	Mannings Heath MRF (W&S), Poole	W&S Recycling	Permanent	Site has planning permission for development of a waste management facility.

3. Existing waste management facilities

Type of facility	Site name	Company/ Site operator	Permanent/ Temporary planning permission with end date	Reason for Safeguarding
Anaerobic digestion facilities				
Anaerobic digestion	Bourne Park, Piddlehinton	Eco-Sustainable Solutions	Permanent	Integral to the current and future waste management of local authority collected waste
Hazardous waste facilities				
Incineration	Bournemouth Hospital Clinical Waste Incinerator	SRCL	Permanent	Facility for managing and disposing of specialist waste streams

Physical chemical treatment	Shaftesbury Oil & Water	Yellowstone Environmental Solutions	Permanent	Facility for managing and disposing of specialist waste streams
Hazardous waste transfer	Blandford Depot (EA)	Environment Agency	Permanent	Facility for managing specialist waste streams
Hazardous waste transfer	Aptiva (Hamworthy Asbestos Transfer Station)	Aptiva	Permanent	Facility for managing specialist waste streams
Hazardous waste transfer	J & G Environmental Ltd, Blandford	J&G Environmental Ltd	Permanent	Facility for managing specialist waste streams
Hazardous waste transfer	Poundbury Depot, Dorchester	Dorset Waste Partnership	Permanent	Facility for managing specialist waste streams
Hazardous waste transfer	Southcote Road Depot, Bournemouth	Bournemouth Borough Council	Permanent	Facility for managing specialist waste streams; Integral to the current and future waste management of local authority collected waste
Hazardous waste transfer	Tradebe, Winfrith	Tradebe Inutec	Permanent	Facility for managing specialist waste streams
Household recycling centres/Waste management centres				
Waste management centre	Blandford Waste Management Centre	Dorset Waste Partnership		Integral to the current and future waste management of local authority collected waste
Waste management centre	Bridport Household Recycling Centre	Dorset Waste Partnership	Permanent	Integral to the current and future waste management of local authority collected waste
Household recycling centre	Christchurch Household Recycling Centre	Dorset Waste Partnership	Permanent	Integral to the current and future waste management of local authority collected waste
Household recycling centre	Dorchester Household Recycling Centre	Dorset Waste Partnership	Permanent	Integral to the current and future waste management of local authority collected waste
Household recycling centre	Portland Household Recycling Centre	Dorset Waste Partnership	Permanent	Integral to the current and future waste management of local authority collected waste
Household recycling centre	Shaftesbury Household Recycling Centre	Dorset Waste Partnership	Permanent	Integral to the current and future waste management of local authority collected waste
Waste management centre	Sherborne Waste Management Centre	Dorset Waste Partnership	Permanent	Integral to the current and future waste management of local authority collected waste
Household recycling centre	Swanage Community Recycling Centre	Dorset Waste Partnership	Permanent	Integral to the current and future waste management of local authority collected waste
Household recycling centre	Wareham Household Recycling Centre	Dorset Waste Partnership	Permanent	Integral to the current and future waste management of local authority collected waste
Household recycling centre	Weymouth Household Recycling Centre	Dorset Waste Partnership	Permanent	Integral to the current and future waste management of local authority collected waste
Household recycling centre	Wimborne Household Recycling Centre	Dorset Waste Partnership	Permanent	Integral to the current and future waste management of local authority collected waste
Household recycling centre	Millhams Community Recycling Centre, Bournemouth	Bournemouth Borough Council	Permanent	Integral to the current and future waste management of local authority collected waste

Waste management centre	Nuffield Recycling Centre, Poole	Borough of Poole	Permanent	Integral to the current and future waste management of local authority collected waste
Waste vehicle depots				
Depot/waste transfer	Blandford Depot	Dorset Waste Partnership		Integral to the current and future waste management of local authority collected waste
Depot/waste transfer	Bridport Depot	Dorset Waste Partnership		Integral to the current and future waste management of local authority collected waste
Depot/waste transfer	Christchurch Depot	Dorset Waste Partnership		Integral to the current and future waste management of local authority collected waste
Depot/waste transfer	Crookhills Depot	Dorset Waste Partnership		Integral to the current and future waste management of local authority collected waste
Depot/waste transfer	Ferndown Depot	Dorset Waste Partnership		Integral to the current and future waste management of local authority collected waste
Depot/waste transfer	Poundbury Depot	Dorset Waste Partnership		Integral to the current and future waste management of local authority collected waste; Also hazardous waste transfer
Depot/waste transfer	Shaftesbury Depot	Dorset Waste Partnership		Integral to the current and future waste management of local authority collected waste
Depot/waste transfer	Wareham Depot	Dorset Waste Partnership		Integral to the current and future waste management of local authority collected waste
Depot/waste transfer	Southcote Road Depot, Bournemouth	Bournemouth Borough Council		Integral to the current and future waste management of local authority collected waste; Also hazardous waste transfer
Depot/waste transfer	Durley Depot, Bournemouth	Bournemouth Borough Council		Integral to the current and future waste management of local authority collected waste
Integrated waste management parks <i>Sites which include a number of waste management activities or permitted waste management activities</i>				
Materials recovery facility, non-hazardous waste transfer (inert), composting	Binnegar Environmental Park, East Stoke	SUEZ	Permanent	Integrated waste management park, MRF/inert recycling facilities managing various streams
Combined mechanical, biological and/or thermal treatment (MBT) & Materials recovery facility	New Earth Solutions MBT, Canford Magna	New Earth Solutions	Permanent	Materials and/or energy recovery facility (with a capacity of at least 75,000 tonnes per annum or more) for hazardous and non-hazardous wastes
Materials recovery facility/Inert waste recycling	Canford Recycling Centre, Canford Magna	Commercial Recycling	Permanent	Integrated waste management park, MRF/inert recycling facilities managing various streams
Open windrow, in vessel composting & physical treatment	Eco Sustainable Solutions, Parley	Eco Sustainable Solutions	Permanent	Reason - reason also needed in Chapter 6 too...
Open windrow composting, wood recycling, inert waste recycling	Down End Farm, Stourpaine	Mark Farwell Plant Hire	Permanent	Integral to the current and future waste management of local authority collected waste
Materials recovery facilities (MRF)				
MRF	FDS Waste, Poole	FDS Waste	Permanent	Materials recovery facility
MRF	Hurn MRF, Hurn	W&S Recycling	Permanent	Materials recovery facility

MRF	Hybris MRF, Crossways	W&S Recycling	Permanent	Materials recovery facility
MRF	Mannings Heath MRF (SUEZ), Poole	SUEZ	Permanent	Materials recovery facility
MRF	Rogers Concrete Yard, East Stoke	A&D Skips	Permanent	Materials recovery facility
MRF	Willis Way Cardboard Recycling, Poole	W&S Recycling	Permanent	Materials recovery facility
Non-hazardous landfill				
Non-hazardous landfill	Beacon Hill, Corfe Mullen	SUEZ	31/12/2019	Landfill site for the final disposal of non-hazardous wastes.
Non-hazardous landfill	Trigon, Wareham	Viridor	26/03/2027	Landfill site for the final disposal of non-hazardous wastes.
Waste transfer facilities (Where not already covered)				
Non-hazardous waste transfer	Lodmoor Composting Centre, Weymouth	Dorset Waste Partnership	Permanent	Integral to the current and future waste management of local authority collected waste
Non-hazardous waste transfer	Wareham & Purbeck Skip Hire, Holton Heath	Wareham & Purbeck Skip Hire	Permanent	Capacity over 10,000tpa
Non-hazardous waste transfer	Elliott Road	HH & DE Drew Ltd/ New Milton Sand & Ballast	Permanent	Throughput higher than 10,000tpa

4. Existing sewage treatment facilities

Site name	Company/Site Operator	Reason for Safeguarding
Abbotsbury	Wessex Water	All existing waste water/sewage treatment works in the Plan area are safeguarded under Policy 24 of the Bournemouth, Dorset and Poole Waste Plan (Pre-Submission Draft December 2017).
Allweston	Wessex Water
