Dear Mr Gerry

Following receipt of the revised SA and my accompanied site visit on 1st of June 2017 I have additional points for clarification as follows from the Neighbourhood Plan Group:

1. Having walked the revised Local Green Space boundary please provide information on why this revised boundary was chosen.
2. Why is the Conservation Area status of the area not considered adequate to provide the protection for the area?
3. In terms of the provision of the primary school site please can you supply me with further detail on the other school sites were considered?

kind regards
Deborah
