### Part B - Representation

The Focused Changes to the North Dorset Local Plan 2011 to 2026 Part 1 and its supporting documents have been published in order for representations to be made prior to submission to the Secretary of State for examination. The purpose of the examination is to consider whether the Local Plan as amended by focused changes, complies with the **legal requirements** and is 'sound'.

If you are seeking to make a representation on the **way** in which the focused changes have been prepared it is likely that your comments or objections will relate to a matter of **legal compliance**.

If you are seeking to make representations on the **content** of the focused changes it is likely that your comments or objections relate to the **soundness** of the plan and whether it is justified, effective or consistent with national policy.

Further information on the matter of legal compliance and the issue of soundness can be found in the 'Guidance Notes for Making Representations'.

If you need help completing the response form please see a member of the Planning Policy Team at the consultation exhibition in Blandford Forum on 14 August 2014 or call 01258 484201.
