Describe the steps you intend to take to promote the four licensing objectives:

**a) General – all four licensing objectives (b, c, d and e)** (please read guidance note 10)

All staff to be trained in the expectations of the 4 objectives set out by licencing and abide by the rulings this gives.

**b) The prevention of crime and disorder**

We will at all times cooperate with those authorities that may make us aware of any crime and disorder in or around the venue. The CCTV prison standard will be on 24/7 and monitored via key staffs mobile phones at all times.

**c) Public safety**

Public safety will be managed via a maximum set number of customers and this will not be breached. A comprehensive NOP and EAP will be abided by all staff whilst open. Any persons under the influence of alcohol into which they are making a nuisance of themselves or others will be asked to leave. Reception will turn any person away if a customer looks under the influence of alcohol or drugs pre entry. A Duty Manager and other key staff will be licenced for the sale of alcohol and understand licencing law required to run a licenced venue.

**d) The prevention of public nuisance**

The inflatable world is for the use of customers bringing children into the venue therefore self-policing is expected whilst at site. Staff will be fully aware of our policies and act accordingly to prevent public nuisance.

**e) The protection of children from harm**

Children are at the forefront of this venue and child protection will be taken very seriously. Monitoring via staff and CCTV will help with the protection of Children when on site.

### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
