

Statement of Representations Procedure

The Local Development Framework (LDF) is a portfolio of documents that will replace the Purbeck District Local Plan Final Edition (2004). Purbeck District Council plans to submit one of the LDF's documents, the Core Strategy Development Plan Document (DPD) called 'Planning Purbeck's Future', to the Secretary of State of Communities and Local Government. The submission documents are the Core Strategy Pre-Submission, Habitats Regulations Assessment, Sustainability Appraisal and the Evidence Base.

Subject Matter and Area Covered by the Document

Covering the period 2006-2027 the Core Strategy determines the location and distribution of new development across Purbeck District, allocating three strategic housing sites at Lytchett Matravers, Wareham and Upton. It also contains development management policies that will be used to determine planning applications.

Period for Representations

The consultation period begins 1 November 2010 and representations received after 4pm on 20 December 2010 will not be accepted.

All responses will be published. Representations should be made on the official response form by post, fax or electronically to Planning Policy, FREEPOST RSAX-LTRK-TRKE, Purbeck District Council, Westport House, Worgret Road, Wareham, Dorset, BH20 4PP, fax 01929 557348 or ldf@purbeck-dc.gov.uk.

Please also provide an address if you wish to be contacted when the Core Strategy is submitted for independent examination by a Planning Inspector, and/or when the Inspector's Report is published, and/or when the Core Strategy is adopted.
