<b>Charging Authority</b>	North Dorset District Council
<b>Evidence base</b>	The Preliminary Draft Charging Schedule is the principal document for the preliminary draft CIL consultation. This document sets out the proposed rates of CIL to be charged in North Dorset. It is supported by the following: <ul style="list-style-type: none"> <li>• North Dorset Whole Plan Viability and CIL Study Final Report, Peter Brett Associates, 2015</li> <li>• North Dorset Local Plan Part 1 (submission edition) evidence base and Infrastructure Delivery Plan.</li> </ul>
<b>Rates (£m<sup>2</sup>) at which CIL is to be chargeable</b>	CIL will be charged in Pounds Sterling (£) per square metre according to the type of development as set out in <i>Table 1</i> in this document.
<b>How the chargeable amount will be calculated</b>	<p>The chargeable amount is calculated in accordance with Regulation 40 of the Community Infrastructure Regulations 2010 (as amended) as follows:</p> $\frac{\text{CIL Rate (£)} \times \text{Chargeable Amount (m}^2\text{)} \times \text{RICS All-In Tender Price Index (at date of planning permission)}}{\text{RICS All-In Tender Price Index (at date of implementation of the Charging Schedule)}}$ <p>Where there is more than one use class in a development, the chargeable amount in each use class is calculated separately and then added together to provide the total chargeable amount.</p> <p><i>Note:</i> The <b>CIL rate</b> (£ per m<sup>2</sup>) is the applicable rate from Table 1 in this Schedule. The <b>chargeable amount</b> (m<sup>2</sup>) is the gross internal floorspace of the development minus the gross internal floorspace of any existing buildings that are going to be retained or demolished, providing that they have been in continuous lawful use for at least six months in the past 12 months (Regulation 64). The chargeable amount should be broken down by use class. The <b>RICS All-In Tender Price Index</b> (%) is an annually updated measure of inflation published by the Building Cost Information Service of the Royal Institution of Chartered Surveyors (RICS). It ensures that the time between the grant of planning permission and commencement of development is taken into account</p>
<b>Further information</b>	This document does not take account of every aspect of the CIL Regulations. For further information on CIL, the consultation document is available from the main council offices in Blandford Forum, town libraries and the Council's <b>website</b> <a href="http://www.dorsetforyou.com/northdorsetcil">www.dorsetforyou.com/northdorsetcil</a> .
