

Indicative Ecological Survey Season Guide

Survey for:		jan	feb	mar	apr	may	jun	jul	aug	sep	oct	nov	dec
badger			optimal period	optimal period	optimal period	extending period	extending period	extending period	extending period	extending period	optimal period	optimal period	extending period
bat	roost check	optimal period	optimal period	optimal period	optimal period	optimal period	optimal period	optimal period	optimal period	optimal period	optimal period	optimal period	optimal period
	Phase 2 (emergence & re-entry)				extending period	optimal period	optimal period	optimal period	optimal period	extending period			
	activity (foraging & commuting)				extending period	optimal period	optimal period	optimal period	optimal period	optimal period	extending period		
	hibernation	optimal period	optimal period	extending period									
bird	breeding			optimal period	optimal period	optimal period	optimal period	optimal period	optimal period				
	wintering	optimal period	optimal period										
dormouse	nut search and nest search	extending period	extending period	extending period						extending period	extending period	optimal period	optimal period
	nest tube				optimal period	optimal period	optimal period	optimal period	optimal period	optimal period	optimal period		
great crested newt	aquatic		extending period	optimal period	optimal period	extending period							
	terrestrial			optimal period	optimal period	extending period	extending period	extending period	extending period	extending period	extending period		
	habitat suitability index (HSI) assessment	optimal period	optimal period	optimal period	optimal period	optimal period	optimal period	optimal period	optimal period	optimal period	optimal period	optimal period	optimal period
invertebrates	aquatic	extending period	extending period	extending period	extending period	optimal period	optimal period	extending period	extending period	extending period	extending period	extending period	extending period
	terrestrial			extending period	optimal period	optimal period	optimal period	optimal period	optimal period	optimal period	extending period		
natterjack toad					optimal period	optimal period	optimal period	optimal period	optimal period	optimal period			
otter		optimal period	optimal period	optimal period	optimal period	optimal period	optimal period	optimal period	optimal period	optimal period	optimal period	optimal period	optimal period
reptiles				optimal period	optimal period	optimal period	optimal period			optimal period	optimal period		
water vole			extending period	optimal period	optimal period	optimal period	optimal period	optimal period	optimal period	optimal period	optimal period	extending period	
white-clawed crayfish								optimal period	optimal period	optimal period			
habitat/botanic		extending period	extending period	extending period	optimal period	optimal period	optimal period	optimal period	optimal period	optimal period	extending period	extending period	extending period

key: optimal period extending period
