

## Two Bed Unit 56m<sup>2</sup> Purbeck DC (potential)

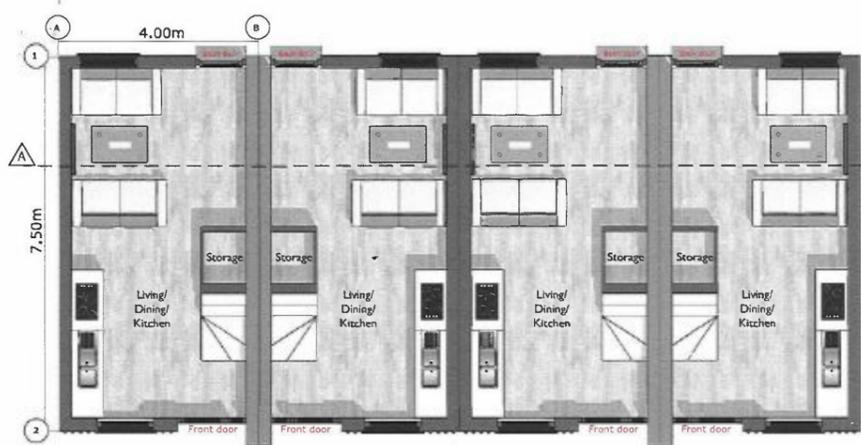

In the south-east corner of the site we propose to locate a terrace of 2 storey houses. These houses have 2 bedrooms and are intended to accommodate families with a housing need. The bedrooms and WC are placed on the 1st floor with an open plan kitchen/living/dining space on the ground floor. There is a small garden to the rear to these houses and a parking space per house in the central parking area to the front. The entrance area is clad with Siberian larch cladding and the remaining exterior finished in a dark, profiled, metal cladding.
