Dear Strategic Policy team

Thank you for providing Highways England with the opportunity to comment on your proposed CIL modifications. Having reviewed the changes, we can confirm that we support the proposed modifications and have no specific comments to offer.

In general terms, you need to be aware that the Highways Agency become Highways England on 1 April. Although the policies and guidance related to our involvement in planning will change, the principles will remain the same. In the meantime, our comments reflect the current guidance contained with DfT Circular 02/2013 Planning and the Strategic Road Network, and the NPPF. Can you also please note that our consultation email address has also changed to: planningsw@highwaysengland.co.uk.

Kind regards
Gaynor

Dear Sir/Madam

WEST DORSET, WEYMOUTH & PORTLAND COMMUNITY INFRASTRUCTURE LEVY (CIL) MODIFICATIONS CONSULTATION

West Dorset and Weymouth & Portland Borough Councils are consulting on modifications to their respective Community Infrastructure Levy (CIL) charging schedules following the conclusion of the hearing sessions into the examination of the Local Plan and CIL in December 2014.

A consultation document has been prepared which consolidates all of the changes to the West Dorset, Weymouth & Portland CIL since the Draft Charging Schedules were published in November 2012; modifications were made to the West Dorset tariff in May 2013; and changes were proposed as part of the CIL examination.

To view and comment on the Community Infrastructure Levy consultation document visit <https://www.dorsetforyou.com/communityinfrastructurelevy/west/weymouth>.

Copies of the consultation document are available for inspection at the council offices between 8.30am and 5pm, Monday to Thursday, and 8.30am and 4.30pm on Fridays.

You can respond by downloading and completing a comments form from our website or collecting one at our council offices. All comments must be supported by your full name and address and should only relate to the Modifications set out in section 3 of the consultation document.

Please make it clear in your response which Modification(s) you wish to comment on. If you wish to submit a lengthy representation **please summarise your response in no more than 100 words** in the box provided and attach any additional page(s) with the comments form.

Please return your response form by email to:
