Dear Hilary,

EXAMINATION OF THE WEST DORSET AND WEYMOUTH & PORTLAND COUNCILS COMMUNITY INFRASTRUCTURE LEVY CHARGING SCHEDULE - REPORT FOR FACT CHECKING

Further to my letter of 6 July notifying you of the estimated date of 17 July by when you could expect to receive the examiner's report. My colleague, Stuart Liddington wrote to earlier this week, to advise you that as you have been asked to provide comments to the Inspector in relation to the Ministerial statement on renewable energy policy, a new date will be given to you for the sending of the Local Plan report.

Your CIL is very closely linked to your Local Plan and the aim is to send both reports to you on the same day. I will advise you of a new date by when you can expect to receive the examiner's CIL report as soon as it is known.

Yours sincerely

Andy Gadsby
