For the attention of the Planning Policy Department

Dear Sirs

## **COMMUNITY INFRASTRUCTURE LEVY**

We wish to formally request that the planning policy department seriously re-considers the proposed increase to the CIL payment.

This prohibitive charge would seriously influence the potential for future developments by local developers such as ourselves and its serious effect it would have on the building of 10 or less properties in our local community. Thus having a huge knock on effect to the local economy as a whole.

Your re-consideration of this proposal is strongly requested.

Yours faithfully
