

Acknowledgements

In formulating this Planning, Design and Development Framework the Borough Council would like to acknowledge the valuable help and assistance that it has received from a wide body of individuals and organisations, including:-

- **Dorset County Council:** for joining with the Borough Council and working in partnership with all parties to bring forward the improvement of Druitt Gardens and its surroundings.
- The **Christchurch History Society** working through the **Christchurch Community Partnership**: in bringing forward proposals to develop a local Heritage Centre which will assist in establishing this part of the town as a Cultural Centre.
- The **Town Centre Forum**: for helping to establish guiding principles.
- The **Red House Museum**: for assisting with establishing the history of Druitt Gardens and the resulting documentation.
- **Landowners**: for joining with the Borough Council in establishing a partnership approach to ensure that development proceeds in an agreed and co-ordinated manner.
- **Ward Councillor Peter Hall**: for providing practical help, assistance and advice throughout.
