Position Statement

MATTER: Policy WMC3 – Cuthbury Allotments

POSITION STATEMENT

For Wimborne Town Football Club

September 2013

## Position Statement 5

### Policy WMC3

The Christchurch and East Dorset Core Strategy (the Plan) seeks to provide 220 homes on land north of Julian's Road, at Cuthbury Allotments, at Wimborne Town Football Club and to the east of St Margaret's Hill as part of the New Neighbourhood.

The Plan provides for a new football ground for Wimborne Town Football Club at the New Neighbourhood and Sports Village (Policy WMC6), on the land south of Leigh Road, Wimborne.

WTFC fully support the provision for a new ground for their team and a training pitch and clubhouse in this location. The Club supports the proposed new location at the Sports Village in Leigh Road, Wimborne, which will enable the club to develop facilities for the youth teams and the community as a whole, within the Wimborne area, which is very important to them.

The Club would wish to see the new football ground up and running prior to the closure of the current site, and wish to see the changes take place as soon as possible.
