**MATTER: Policy WMC6 – South of Leigh Road New Neighbourhood and Sports Village**

In terms of the broad principles Wimborne RFC support the proposals set out in your statement although it should be made clear that this would be on the basis that this is without prejudice to any other options or opportunities that might arise for the relocation of the club from the current Leigh Park location to an alternative site.

In addition I would point out whilst reference is made to developer support and provision of other facilities on the site (school, country park & teenage facilities and local centre etc) but no reference to provision in relation to the relocation of the rugby club.
