

REPORT ON THE CHANGES TO POLICY 12: DESIGN MANAGEMENT - BLANDFORD ST MARY

This report outlines the amendments/additions required for Policy 12: Design Management for Blandford St Mary.

The examiner had no comments for Policy 12 for Blandford St Mary in the Blandford+ Neighbourhood Submission Plan Version 1 (submitted for examination in July 2017).

However, the original policy did not include information about the areas of the village included in the Blandford, Blandford St Mary and Bryanston Conservation Area. A map has been included to clarify the areas concerned.
