

Karlee

1828 to explore the Cave temple situated on the side
June of a mountain about two miles from the Village
10th of Karlee. We were obliged to leave our ponies
at the foot of the mountain & to climb by a
narrow and rugged path way through the jungle

The temple was on the side of a mountain 2 miles (about 3km) from the village of Karlee. Captain Oakley and his men rode their ponies to the bottom of the mountain and then climbed a narrow and rough path through the jungle.
