As a resident of Hazelbury Bryan, I would like to express concern over the removal of Site 2 from the Neighbourhood Plan. This is a site which offers much needed benefits for the village.

There is currently very limited parking availability for hall users which leads to congestion issues especially at peak times evidenced in section 8.9 of the plan. The removal of Site 2, would impact on the delivery of this crucially needed additional car parking provision which would have supported HB22 (Parking Provision).

Omitting Site 2, loses the benefit of a new footpath link between The Causeway and Pleck/Wonston which would have provided a safe route on foot and supported HB14 (Community Facilities).

The removal of Site 2 prejudices the delivery of affordable housing in the village, and the community charge benefits will also be lost.

I also feel strongly, the removal of Site 2 poses an adverse effect on the delivery of much needed market homes, in a central village location.

Continue overleaf if necessary

5. Please give details of any suggested modifications in the box below.

Site 2 should be included as a site for development in the current Plan.
