Stance: Customer made comments neither objecting to or supporting the Planning Application

Comment Reasons:

Comment: Piddle Valley Parish Council would accept this proposal if the conditions in the 2014
Management Plan as stated in the Design and Access statement at that time are applied.

Currently the CCTV camera is not working on the entrance to the camp. We request that this is
fixed or replaced and is working at all times as a condition of acceptance. We also request that
Security should be required permanently when there are a minimum of 2 transits on site.
