Total charge for North Dorset

The council tax started on 1 April 1993. This page details the council tax charged since then. The charges quoted are based upon a band D property and exclude the parish or town council charge.

The council tax charges shown on this page include all the charges for residents of North Dorset except for those of the parish or town council. They include charges for Dorset County Council, Dorset Police Authority, Dorset Fire Authority and North Dorset District Council. You can see a breakdown of the history for each authority on its individual page.

The percentage figures shown illustrate the annual percentage increase on the previous year and the cumulative percentage increase since 1993.
