The Minerva Learning Trust is a partnership of schools within the Bridport area. These schools aim to create an outstanding, inspirational and inclusive learning community that meets the needs of children in their area. Dorset Council will administer this Admission Policy on behalf of the Minerva Learning Trust.

1. Admission of Pupils – General Principles

- The Academies within the Minerva Learning Trust follow the National Schools Admission Code.
- It serves Bridport and a wide area around.
- The School Admissions Code, legislative guidance including co-ordination, equal preference scheme and infant class size legislation are adhered to.
- Each school’s catchment area is a geographical area defined by the authority following consultation with the governors and neighbouring schools and is available for parents to view on the Dorset for You website.
- Where possible, within the current constraints and legislation, children attend schools preferred by their parents.
- Every (Dorset) child will be allocated a place in an educational setting once an application is submitted.
- Admission arrangements are consistently and equally applied to all.
- Resources are used efficiently.
- Allocation of school places are made up to the planned admission number in accordance with the oversubscription criteria.
- The Dorset Council Admissions Arrangements adhere to the principles of the Equalities Act 2010.
- **Burton Bradstock CE Primary School and St Mary’s CE Primary School**, recognising their historic foundation, will preserve and develop the religious character of their schools in accordance with the principles of the Church of England and in partnership with the churches at parish and diocesan level. These Academies aim to support children and their families by providing an education of the highest quality within the context of Christian belief and practice. They encourage an understanding of the meaning and significance of faith and promote Christian values through the experience they offer.
- In all of the Academies, parents have the right to withdraw their children from the daily act of worship and from Religious Education.

2. Published Admission Numbers (PANs)

- All admission authorities must set an admission number for each ‘relevant age group’ and places will be allocated according to the published oversubscription criteria.
- The PAN for each school is:

Bridport Primary School	60
Burton Bradstock CE Primary School	15
St Mary’s CE Primary School	30
The Sir John Colfox Academy	150

3. Admission of Pupils to School for the First Time at Age 4+/5

3.1 Statutory school age

- Children reach compulsory school age the school term following their fifth birthday. The start of term is defined as 1 September/January/April (this may not be the first day of

term for the school being considered).

3.2 Admission at 4+

- An application must be submitted for every child to Dorset Council. Children are able to attend full-time in September of the year they are due to start school. Parents can request part-time attendance until compulsory school age is reached. This needs to be agreed with the headteacher of the school where a place is offered. Parents can also request deferred entry within the first academic year or until compulsory school age. A record of the deferment should be kept by the school and parent. The place is held and is not available to be offered to another child unless it is not taken up by the agreed date when it will be considered vacant. If this request for deferred entry goes beyond the start of the academic year, the parent will need to reapply for a school place in the next academic year for entry to year 1.
- Whether the child attends part/full-time will depend upon individual circumstances. The Minerva Learning Trust recognises that for some pupils and families, full day attendance in the first term may be inappropriate. Therefore, schools may, through consultation with parents and pre-schools, offer a more personalised provision, taking into account the needs of each individual child.

4. Transfer to the next school by age – entry to the Sir John Colfox Academy

- Parents who wish their children to be admitted to the Academy must complete the Common Application Form available through the local authority (LA) they reside in. The timetable, and information on how to apply for Year 7, is available from Dorset Council. The Co-ordinated Admission Scheme may be read at www.dorsetcouncil.gov.uk. This is also the source for information regarding arrangements for late applications and for applications that relate to different year groups and deadlines. Please also read 'A Parents' Guide', available on this website. Parents are responsible for providing all relevant information with the application.

5. In year Admissions

- In year or casual admissions will be processed by the local authority. If uncertain of whether the preferred school takes in year applications direct, parents can contact the school itself or contact Dorset's school admissions department. A formal application must be made in all instances with relevant information attached to the application. Should a place not be allocated at a preference school the parents have a right of appeal. Any alternative placement offered will take account of the distance to travel consistent with the national guidance on journey times i.e. the alternative placement will not exceed a journey of 45 minutes for primary aged children and 75 minutes for secondary age children.

6. Admission of children outside their normal age group

- Applications for a child to be placed outside of their normal chronological year group will only be considered under the most exceptional circumstances. The placement of a child outside his or her normal age group is not an appropriate strategy for meeting special educational needs. There can be a significant and long term impact on children who are placed outside of their normal year group. This is at the discretion of the headteacher.

6.1 Back Yearing and Delayed Transfer

- There are instances when a child's overall best interests are served by delaying admission or remaining in the existing year. The social and educational implications of this must be considered. Such arrangements will be considered only if agreed or

recommended by the child's headteacher and/or any other professional involved. Any decision will also be in line with the LA's guidance on the Placement of a Pupil outside of his or her normal age group' and with the parent's agreement.

6.2 Out of Dorset Requests

- Some families seek places in Dorset schools (e.g. where they have moved to the County from elsewhere) for their children to be placed in a year group other than their chronological year group. Requests are dealt with and recommendations made by the admitting school, regardless of the child's home address, in line with the decision making process indicated above.
- Such requests are refused unless there are very exceptional circumstances.

6.3 Delaying entry into Reception Year Group – Summer Born Children

- Where a child is summer born and parents wish to consider the delay of their child starting school in the Reception Class until after their 5th birthday they will have to discuss this directly with the headteacher of the proposed school. These requests will be considered on a case by case basis and with reference to the 'Guidance on the Placement of a Pupil Outside his or her Normal Age Group'.
- If a parent applies for a reception place to be taken up after the child's 4th birthday and is allocated a place in the normal transfer round and then subsequently wishes for their child to enter the school in reception after their 5th birthday – they will have to make a new application in the next application year and surrender their current place. Their application will be considered afresh and no guarantee will be given that they will get a place in the subsequent allocation as it will be subject to the relevant admissions code and the overall number of applications.

7. Placements in Alternative Settings and Managed Moves

- Policies are available on In Year Fair Access and Managed Move protocols on Dorset's school admissions webpage.
- Pupils from outside of Dorset who have been placed in alternative provision (PRU) and move into Dorset will initially be placed in a learning centre where consideration will be given to the most suitable placement to support the child's educational achievement. Should integration to mainstream be considered appropriate, and on receipt of an application from the parent, this will be considered by the In Year Fair Access Panel.

8. Children in Care

- There is an additional policy and guidance available for Children in Care and children who have previously been in care applications. Children in Care applications are given the highest priority on the oversubscription criteria.

9. School Transport

- Details about school transport are provided in the Home to School Transport Policy. Advice is also provided in the Policy and Parents' Guide to ensure parents, guardians and carers are aware that their preference of school and the admissions criteria will affect their entitlement to 'free' school transport. This includes later changes (e.g. change of address) which could have a bearing on continued eligibility for school transport.

10. Withdrawal of School Places

Places will only be withdrawn where:

- A place has been offered in error by the admission authority and the affected child/ren have not yet started at the preferred school.

- A place has been offered on the basis of a false, fraudulent or deliberately misleading application. The place will be withdrawn if the case has been identified by the first October half-term following admission.
- The place has not been taken up by the specified date – the parent will be contacted in advance of the withdrawal of a place.
- The place has been declined by the parent.

11. Waiting Lists

- The LA operates a limited waiting list policy. Parents can apply to have their child's name placed on a waiting list for a period of one term following refusal. If parents wish to keep a child on a waiting list beyond this term they will need to write in for an extension by the start of each term. There is no guarantee of a school place by remaining on the waiting list.

12. Appeals

- If the LA is unable to offer a place at a school that has been applied for, the parent has the right to appeal to an independent Appeals Panel. The decision of the Panel is binding on all parties and where parents succeed with their appeal, the place at the school originally offered by the LA will automatically be withdrawn.

13. OVERSUBSCRIPTION CRITERIA

Where all parental preferences for places at the school can be satisfied, all children seeking a place will be admitted. Where there are too few places available to satisfy all preferences, places will be allocated according to the following priority order:

- Children who are looked after by the local authority**, i.e. children with either a care order (full or interim) or who are accommodated under Section 20 of the Children Act 1989. Or a child who was previously looked after but immediately after being looked after became subject to an adoption, residence, or special guardianship order - a copy of the adoption order, residence order or special guardianship order and a confirmation letter from the LA that last looked after the child should be provided with the application.
- Where a **Child Protection Order or Child in Need document** identifies that there is a need for the child to be educated in a school closest to home or in an identified particular school/setting for their own safety.
- Vulnerable children with a physical, medical or social need.**
Medical need means where written evidence has been provided from a senior clinical medical officer or the child's GP/specialist showing that the child's condition would make it detrimental to the child's health not to admit him/her to the school. This may include written evidence where the parent has a medical need and/or disability which would make it detrimental for the child to attend a different school; this may be supported by evidence of the child as a young carer.
Social Need means where the child is of confirmed refugee status. Written evidence of this from the LA must be submitted with the Supplemental Information Form and sent to the school on or before **15 January 2021**.
- Children living within the school's catchment area who will have a sibling*(s)** attending the school at the time of admission.
- Children living within the school's catchment area.**
- Children living outside the school's catchment area who will have a sibling(s)** attending the school at the time of admission.

- g) **Children living outside the school's catchment area and who were attending one of the preferred school's recognised maintained feeder schools or on-site Foundation Unit** during the previous year.
- h) **Children of staff** with at least two years continuous service at the school or who have been recruited to a vacancy to meet a demonstrable skills shortage as at the date of application (in year) or relevant closing date under the LA co-ordinated scheme (normal year of entry) and who still intend to be employed at the school at the time of the child's admission.
- i) **Burton Bradstock CE Primary School and St Mary's CE Primary School** will consider applications for children living outside the catchment area who are regular practising Christians of whatever denomination at a regular church or religious group, ie a member of Churches together in Britain and Ireland (see ctbi.org.uk); the Evangelical Alliance (see eauk.org); the Fellowship of Independent Evangelical Churches (see www.fiec.org.uk); Affinity Fellowship of Churches (see www.affinity.org.uk).
- In the event that during the period specified for attendance at worship the church [or, in relation to those of other faiths, relevant place of worship] has been closed for public worship and has not provided alternative premises for that worship, the requirements of these [admissions] arrangements in relation to attendance will only apply to the period when the church [or in relation to those of other faiths, relevant place of worship] or alternative premises have been available for public worship.
- j) **All other children living outside the school's catchment area**
If oversubscribed within any of the priority order categories above, places will be allocated on the basis of the shortest straight line measurement using a geographical information based system which identifies an Easting and Northing for the home address and the school building and calculates the distance between the two locations. NB School transport is based on walking and driven distances.

Notes

The term 'sibling' means full brother or sister, half or step brother or sister, adoptive brother or sister and other non-blood related children who live in the same household and relates to all year groups provided by the school.

Any parent wishing to apply using the interim vulnerable children or the faith criteria must complete the Supplementary Information Form (attached) **by 15 January 2021**.

Foundation Unit at Burton Bradstock CE Primary School

Burton Bradstock CE Primary School have opened a Foundation Stage Unit as an extension to their Early Years Provision. Children can attend the Foundation Unit from the term following their third birthday.

All 3 and 4 year old children in England are entitled to 15 hours of free Early Learning Care and Development until they reach the statutory school age. They may be eligible for an additional 15 hours.

The school has capacity for 10 Pre-school aged children at any one time. Admission will be based on applications and if there is an available place.
