# BLANDFORD + NEIGHBOURHOOD PLAN 2011 - 2033

## Information Statement

This information statement is about the referendum to be held on the Blandford + Neighbourhood Plan 2011 - 2033
---

### **About town and country planning**

In England, planning applications are determined by local planning authorities such as Dorset Council. Planning decisions are made in accordance with the adopted development plan, unless material considerations indicate otherwise. A development plan sets out the planning policies for the development and use of land.

At the current time, [the adopted Local Plan for North Dorset](#), which forms part of the development plan, is the starting point for considering planning applications in the area covered by the Blandford + Neighbourhood Plan 2011 - 2033. The [national planning policy framework](#) must be taken into account in the preparation of local and neighbourhood plans, and is a material consideration in planning decisions.

The Council's [Local Development Scheme](#) contains information on development plan documents that are being prepared.

### **About neighbourhood planning and the Blandford + Neighbourhood Plan 2011 to 2033**

Neighbourhood planning aims to help local communities play a direct role in planning the areas in which they live and work. Blandford Forum Town Council, along with Bryanston Parish Council and Blandford St Mary Parish Council, has produced the plan which shows how the community wants land to be used and developed in the neighbourhood plan area. If a plan is made following a successful referendum, it becomes part of the development plan for that area.

The Town and Parish Councils started preparing their neighbourhood plan in 2014. An initial version of the plan was progressed to examination but subsequently withdrawn. After much research, and having listened to the various issues and suggestions made through various consultation events, a draft of version 2 of the plan was produced for consultation in November 2018. The plan was then revised in response to the consultation and submitted to North Dorset District Council in January 2019.

Mr Terry Kemmann-Lane JP DipTP FRTPI MCMI was appointed to examine the Plan as independent examiner. In January 2020, following a period of consultation (15 February to 29 March 2019) on the submission version of the plan, an exploratory meeting involving the examiner and a hearing, the examiner produced his [report](#)

confirming that he was satisfied that the plan meets the basic conditions and recommended that it should, subject to some changes, proceed to referendum.

Dorset Council considered the report and consulted on a draft Decision Statement relating to whether the plan should proceed to referendum. The Council considered all of the responses received to the consultation, including legal advice submitted by Pimperne Parish Council, prior to issuing its final decision, which was in agreement with the examiner's findings, that the plan as modified should proceed to referendum.
