Where shall we build in Bere Regis 2012-2026?

getmapping.com

Purbeck District Council is consulting on sites for development around our towns and villages to be included within the Core Strategy, Purbeck's new plan to manage growth and development up to the year 2026

Last autumn, the Council consulted all Purbeck residents and businesses on where new development should be located. There were 1,936 responses, a response rate of about 8% across the District. We consider this to be a good response for a planning consultation so thank you for taking the time to reply. Two thirds (63%) supported the Council's Preferred Option of distributing development around Swanage, Upton, Wareham, Bere Regis, Lytchett Matravers and Wool.

In Bere Regis and the surrounding area, there were 178 responses of which 66% supported the Council's Preferred Option that includes a small settlement extension to Bere Regis of 50 dwellings and 0.5 hectares of employment land.

This indicates a significant level of support for the Council's proposals in the area. We have now moved on to the next stage and are consulting on where this development should take place, as well as what supporting infrastructure such as open space, community facilities, etc. should be provided.

This development is essential to meet expected growth and the priorities of the Purbeck Community Plan and Bere Regis Parish Plan to help deliver more affordable housing and community facilities. Of the 50 dwellings proposed, half would be 'affordable housing'. We have discussed the potential sites with Bere Regis Parish Council to begin to ensure local views are taken into account.

We hope that you will once again make your views known to us by completing the attached questionnaire and/or visiting our roadshow on Monday 28th June (4-8pm) in the Drax Hall, Bere Regis.

Councillor David Budd – Leader of the Council

Where shall we build in Bere Regis?

We have carried out a preliminary assessment of the sites around Bere Regis. As shown on Map 1 overleaf, no sites are ideal for development and all would have some impact or more. In addition, the sites are much larger than needed. Therefore, we have identified the best locations for development within the sites and circled these areas, labelling them A, B, C, D and E. We have discussed the sites with Bere Regis Parish Council, which has led to a number of development options.

What is the preferred option of Bere Regis Parish Council?

The preferred option of Bere Regis Parish Council focuses on a new primary school for the village. Whilst Bere Regis Primary School is a 'good school', as stated in the latest Ofsted report, it is likely that the school will soon become too small for the expected increase in numbers and the general feeling in the village is that a new school is needed. One option is to build a brand new school on one of the sites around the village and redevelop the existing school site for housing to cover part of the cost. This would allow the school to move closer to the village and away from the busy road. Further funding would still be needed but if this became available the following option may be possible.

Preferred Option of Bere Regis Parish Council

- New primary school on Site E (where indicated)
- 25 dwellings (half affordable) on the current school site
- 25 dwellings (half affordable) on Site D
- New employment on Site C (where indicated)

What if there is no funding for a new school?

Should no funding become available for a new school, there are two alternative options:

Alternative Option 1

- 25 dwellings (half affordable) on Site A (where indicated)
- 25 dwellings (half affordable) on Site D (where indicated)
- New employment on Site C (where indicated)
- Potential for an extension to the Bere Regis Sports Club playing fields and Multi Use Games Area (MUGA)

This is the second preferred option of the Parish Council

Alternative Option 2

- 25 dwellings (half affordable) on Site B (where indicated)
- 25 dwellings (half affordable) on Site A or D (where indicated)
- New employment on Sites C (where indicated)
- Potential for an extension to the Bere Regis Sports Club playing fields and new Multi Use Games Area (MUGA)

The Parish Council does not support development on Site B

Bere Regis Primary School

have your say

Should funding become available for a new school, do you support the option above?

Please complete the attached questionnaire and post it back to us at the Freepost address provided by 30 July 2010 and/or visit our roadshow on 28th June (4-8pm) in the Drax Hall, Bere Regis where District Council Members and Officers will be available to answer your questions and landowners/developers are invited to display their proposals.

have your say

Should no funding become available for a new school, which of the above alternative options do you support?

Please complete the attached questionnaire and post it back to us at the Freepost address provided by 30 July 2010 and/or visit our roadshow on 28th June (4-8pm) in the Drax Hall, Bere Regis where District Council Members and Officers will be available to answer your questions and landowners/developers are invited to display their proposals.

New supermarket(s) update

Last autumn, we also consulted you on where a new supermarket should be located. Currently, many people around Wareham don't do their food shopping in the town and a need has been identified for a further 2,000 sqm of floor space for food shopping. A new supermarket would also mean that people would not have to travel to the larger supermarkets in Poole or Dorchester, helping to reduce congestion on the A351.

We asked for your views on the Preferred Option of a large supermarket at Wareham and the two alternatives of a large supermarket in Swanage or medium sized supermarkets in Wareham and Swanage. Of the 1,936 responses, half (50%) supported the Council's Preferred Option of a large supermarket at Wareham. This compares with 10% who supported the option of a large supermarket in Swanage and 21% who supported medium sized supermarkets in both towns.

Therefore, there is uncertainty within the District as to whether a new, large supermarket should be built in Wareham. To make a more informed decision, the Council instructed consultants to carry out a Retail Impact Assessment (RIA) of the option to build a new supermarket in Wareham at different locations to test the impact it would have on the town centre and to check to see if there is still a need.

The Draft RIA has now been published for consultation and can be viewed on the Council's website www.dorsetforyou.com/purbeck_consultation. It establishes that there is still a need for a new supermarket and recommends development of a large supermarket along Worgret Road, Wareham twice the size of Sainsbury's in Wareham but restricted from selling certain products that could have a negative impact on existing services in the town centre, such as the post office, opticians, dry cleaners or chemists. No decision has yet been made whether to build a new supermarket; however, it is included in each of the options for Wareham to show potential locations in case it is taken forward.

You can comment on the Draft RIA by visiting the Council's website or you can write to us at Planning Services, Westport House, Worgret Road, Wareham, Dorset BH20 4PP. In addition, there will be a feedback session to the public on the issue of a new supermarket during July. Further details will be posted on the Council's website.

Other Areas

This leaflet forms part of a series focusing on the five areas of the District that share similar characteristics and challenges. We have sent you the leaflet for the area in which you live, as it will be most relevant to you. However, if you are interested in what's happening in the other areas of the District and would like to comment on these areas, you can obtain copies of the other leaflets and/or a more detailed background report on the Council's website www.dorsetforyou.com/purbeck_consultation or from Bere Regis Post Office between 1st June and 30th July. Alternatively, copies can be obtained from the Council by contacting the Planning Policy Team on 01929 557273.

Next Steps

This consultation forms part of our work in producing the Core Strategy for the District, the new plan that will set out how expected growth will be met over the coming years and how development will be managed. Your views will help refine the plan, which will be published as a final Draft later this year. There will be a further opportunity to comment on the Draft Plan in November 2010 before it is submitted to the Government for Examination in 2011.

What do we mean by 'affordable housing'?
In Purbeck, 'affordable housing' refers mainly to housing rented from a Registered Social Landlord, not lower price housing sold on the open market.

There are various ways to join the debate:

JOIN THE DEBATE
Please complete the attached questionnaire and post it back to us at the Freepost address provided by 30 July 2010 or alternatively you can complete the questionnaire online at www.dorsetforyou.com/purbeck_consultation

and/or
Drop into our roadshow on 28th June (4-8pm) in the Drax Hall, Bere Regis where District Council Members and Officers will be available to answer your questions and landowners/developers are invited to display their proposals.

and/or
Write to us at: FREEPOST RSAX-LTRK-TRKE, Planning Services, Purbeck District Council, Westport House, Worgret Road, Wareham, BH20 4PP.

Key

- Purbeck district boundary
 - Settlement boundary
 - Site of Special Scientific Interest, Special Area of Conservation, Special Protection Area, Ramsar or National Nature Reserve
 - 400m Heathland buffer zone
 - Flood zone 2 & 3
 - Green belt
 - Area of Outstanding Natural Beauty
 - Scheduled Ancient Monument
 - Site of Nature Conservation Interest
- Traffic Light System**
- Least impact 4 x ● = overall (with 0 x ▲)
 - Some impact 3 x ■ = overall (with 0 x ▲)
 - ▲ Major impact 1 x ▲ = overall

How were the sites assessed?
 Taking the sites submitted to us by landowners, we carried out a preliminary assessment of all the sites on the edge of the village that could be used for a small settlement extension and scored each one against specific criteria using a simple traffic light system, where green indicates least impact, amber indicates some impact and red indicates major impact. The criteria used and an explanation of what 'least impact', 'some impact' and 'major impact' refers to for each of the criteria are shown in the table in the panel below.

The sites assessed for Bere Regis are shown on Map 1 to the right. One red criterion equals red overall; three ambers (with no red) equals amber overall; and four greens (with no red) equals green overall. A number of sites were automatically discounted because they were either too small or would have an unacceptable environmental impact, e.g. they were located mainly in an area at risk from flooding, they were within 400m of a protected heathland or they included a Scheduled Ancient Monument within the site boundary.

	Least Impact ●	Some Impact ■	Major Impact ▲
Ecology	Limited wildlife habitat on the site/evidence of flora and fauna	Some wildlife habitat on the site/evidence of flora and fauna	Rich wildlife habitat on the site/evidence of flora and fauna
Flood Risk	Flat site with limited possibility for surface water run off and surface flooding	Sloping site with possibility for surface water run off and surface flooding	Severely sloping site with possibility for extreme surface water run off and surface flooding
Townscape	Development on the site would relate well to the settlement pattern and would not harm local character	Development on the site would partly relate to the settlement pattern and may harm local character	Development on the site would not relate to the settlement pattern and would harm local character
Landscape	Development on the site would not be prominent in short and long distance views of the wider landscape	Development on the site would be prominent in some short and long distance views of the wider landscape	Development on the site would be very prominent in short and long distance views of the wider landscape
Accessibility	The site is near to the centre of the settlement with good access to shops and local facilities and/or the site is close to an hourly bus route	The site is fairly near to the centre of the settlement with fair access to shops and local facilities and/or the site is fairly close to an hourly bus route	The site is not near to the centre of the settlement with poor access to shops and local facilities and the site is not close to an hourly bus route
Highways	The site could be accessed by vehicles without any major works to existing roads	The site could be accessed by vehicles but major works would be required to existing roads	The site is not accessible to vehicles
Overall	A site that would have limited overall impact if developed	A site that would have some overall impact if developed but that could be overcome	A site that would have a major overall impact if developed that is difficult to overcome

have your say

Please complete questionnaire, tear at perforation fold, seal and send back to us via the FREEPOST address on the back.
 What is your postcode?

1. The Preferred Option of Bere Regis Parish Council is:

- New primary school on Site E (where indicated)
- 25 dwellings (half affordable) on the current school site
- 25 dwellings (half affordable) on Site D
- New employment on Site C (where indicated)

Should funding become available for a new school, do you support the above option?
 Yes No No Comment

(Please provide any comments below)

Comments

2. If you do not support the above option because you think there is a better site for a new school, please tell us where below: (Please tick only one)

Site A Site B Site C Site D
 Other (Please tell us where below)

Comments

3. Should no funding become available for a new school, there are two alternative options:

- Alternative Option 1**
- 25 dwellings (half affordable) on Site A (where indicated)
 - 25 dwellings (half affordable) on Site D (where indicated)
 - New employment on Site C (where indicated)
 - Potential for an extension to the Bere Regis Sports Club playing fields and Multi Use Games Area (MUGA)

This is the second preferred option of the Parish Council

- Alternative Option 2**
- 25 dwellings (half affordable) on Site B (where indicated)
 - 25 dwellings (half affordable) on Site A or D (where indicated)
 - New employment on Sites C (where indicated)
 - Potential for an extension to the Bere Regis Sports Club playing fields and new Multi Use Games Area (MUGA)

The Parish Council does not support development on Site B.
 Should no funding become available for a new school, which of the above alternative options do you support? (Please tick only one)

Alternative Option 1
 Alternative Option 2 Please choose A or D

Other (Please comment where below)
