

What does Lytchett Matravers need?

- affordable housing?
- employment opportunities?
- investment in community facilities?
- traffic calming?
- improved access to the countryside?
- areas for play?
- opportunities for youngsters - sport, play and relaxation?
- homes for old folk and young families?
- enhancements to the village centre?

Preferred Site C

“The District prefers Site C because it is nearest to the village centre making it easier for people to walk or cycle to shops and facilities”

(from: Where shall we build in Upton and Lytchett Matravers?)

Development could include:

- homes in a range of sizes and tenure for young families
- bungalows for old folk
- new employment spaces
- open play space
- provide missing link in the village circuit
- buildings for community use
