Subject: RE: Dorset Council. Public Footpaths 24, 160, 161 and 162, Bridleway 21, Weymouth

Dear Mr Hopkins

I can now confirm that steven cummings has met with persimmon Homes representative and discussed the stopping-up and diversion of footpaths as your email details

He has confirmed to me that he has no objection and is happy with the proposed changes. If there are any legal fees that we may incur then we would like a solicitors undertaking that these will be pay for by Persimmon

Regards

Melanie Cummings

Paul Hopkins.
