Subject: PURBECK DISTRICT SUBMISSION CORE STRATEGY Ashvilla Estates - respondent 2799
Importance: High

Jenny

We have been invited by the Inspector to make a response by the 1st May in writing on the NPPF and its implications for the Purbeck Core Strategy.

We consider that this matter is already addressed by our statement to Matter 1, the first issue. Therefore please direct the Inspector to the submissions we have already made as the basis for my client's response on the NPPF.

I trust that this is clear and helpful.

Regards

Nick Paterson-Neild
