Dear Sir/Madam

Pimperne Neighbourhood Plan Submission Draft

Please find attached comments from Wyatt Homes in response to consultation on the Pimperne Neighbourhood Plan Submission Draft. Wyatt Homes has an interest in land north of Manor Farm Close. We welcome the progress that has been made on the Neighbourhood Plan in identifying sites to support the growth of the village, and support identification of the land north of Manor Farm Close as a proposed housing allocation.

Wyatt Homes is a locally based regional house builder with a track record of delivering attractive and successful developments built to the highest standards. The company has become a leading name in quality place making, working closely with local communities in the development of sustainable new neighbourhoods.

Wyatt Homes has a long-standing connection with Pimperne, having built the Manor Farm Close development, which was completed about ten years ago. We understand that the Manor Farm Close development has been well received by the local community, and we look forward to working with the District Council and the local community to deliver the next phase of development.

Yours sincerely

Tim Hoskinson
