

Matter 1

- 1.1 Yes, Purbeck District Council have seemingly taken into account the views of Wool's Local Parish Plan where 79% believed the River Frome and its flood plains should be protected from development. 75% felt equally strongly about woodland.
- 1.2 We believe Purbeck District Council have taken into account the negative impacts on Wool's special environmental characteristics. Sustainability of a new expanded Wool would bring increasing pressure for a Wool Bypass over the River Frome (SPA) and flood meadows.
