Dear Programme Officer

Issue 9 Shaftesbury (policy 18)

In connection with Shaftesbury, and meeting housing needs, the text significantly **fails to mention** that the area of 'land to the west of A350 opposite Wincombe Business Park', the second bullet point in paragraph 8.111, is largely within this AONB. The extent of the AONB at this point is, however, accurately shown on figure 8.3 on page 220.

Furthermore, through the process of not showing any information outside the District Boundary, the extent of this AONB on the north eastern side of the town is **not shown**. The AONB abuts the District Council boundary between the development sites 7 and 8.

The precise change and/or wording being sought:

'land to the west of A350 opposite Wincombe Business Park **which is largely within the Cranborne Chase and West Wiltshire Downs Area of Outstanding Natural Beauty**'.

Figure 8.3 amended to show the AONB boundary outside the District boundary.

Yours sincerely

RICHARD BURDEN
